## **CHAPTER – I**

### **INTRODUCTION**

As per Census-2011, the State of Punjab, has the highest percentage of Scheduled Caste population amongst all the States of the Country. The Scheduled Caste population in Punjab is 88.60 lac which is 31.94% of the total population (277.43 lac) of the State. Punjab accounts for 2.3% of the total population and 4.3% Scheduled Caste population of India. The decennial growth rate of SC population in the State was 26.06% as compared to 13.89 % for the State as a whole. However, a sizeable number of SC families still live below the poverty line.

**1.2** According to the survey conducted by the Department of Rural Development and Panchayats for rural areas in the year, 2002 and the State urban Development agency (SUDA) in urban areas in , 2004, out of the total 5.23 lac families living below the poverty line, 3.21 lac families belong to the Scheduled Castes which constitutes 61.38% of the total families below the poverty line in the State. As per Agricultural Census 2010-11, the number of operational holdings with SCs are 63,480 spreading over an area of 1,26,966 hectares comprising 6.02% and 3.20% of the total land holdings and area of the State, respectively. Major bulk (85.54%) of these holdings are unviable being less than the size of 5 hectares.

**1.3** The Scheduled Caste population is predominantly rural by residence. As per Census 2011, the majority of the SC people (73.33% ) live in the rural area, whereas, 26.67% SC people reside in the urban area of the State. The distribution of SC population among the districts of the State indicates that percentage of SC persons is high in the districts of Shaheed Bhagat Singh Nagar (42.51%), Sri Muktsar Sahib (42.31%), Ferozpur (42.17%), Jalandhar (38.95%), Faridkot (38.92%), Moga (36.50%), Hoshiarpur (35.14%), Kapurthala (33.94%), Tarn Taran (33.71%), Mansa (33.63%), Bathinda(32.44%), Barnala (32.24%) and Fatehgarh Sahib (32.07%). This is to say that in majority of the districts in Punjab have one third or more of their population belongs to the Scheduled Castes. Out of the total 12,168 inhabited villages in the State, 57 villages have 100% SC population and 4,799 villages (39.44%) have 40% or more SC

population. The village/tehsil/district wise detail of villages having 40% or more SC population is given in Part-IV (II) of the document. Among 217 towns, 175 towns have 20% or more SC population, and majority of them are either small towns or census towns.

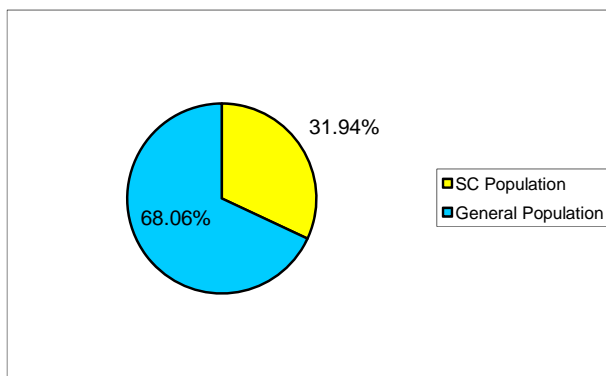

**1.4** As per Census 2011, the literacy rate among SCs is 64.81% as compared to total literacy rate of 75.84% of the State and 73.00% of the Country as a whole. The female literacy rate of SCs at 58.39% in the State also lags behind that of total 70.73% of the State. However, it is better than the SC female literacy rate at 56.46% of the Country. The SC male literacy rate at 70.66% of the State is also lower than the total male literacy rate of 80.44% in the State.

**1.5** Out of the total SC population, SC labour force constitutes 35.88%, out of which, 79.20% and 20.80% are main and marginal workers respectively. The majority of this segment of society are agricultural labourers or are engaged in low wage and arduous occupation. The State Government is committed to uplift this under privileged section of the society by improving the socio economic and educational development by providing them with technical skills for vocational jobs and link their present occupation/activity with the larger activity.

**1.6** The comparative demographic detail of SCs as per Census 2011 is given below:-

### **Scheduled Castes Population**

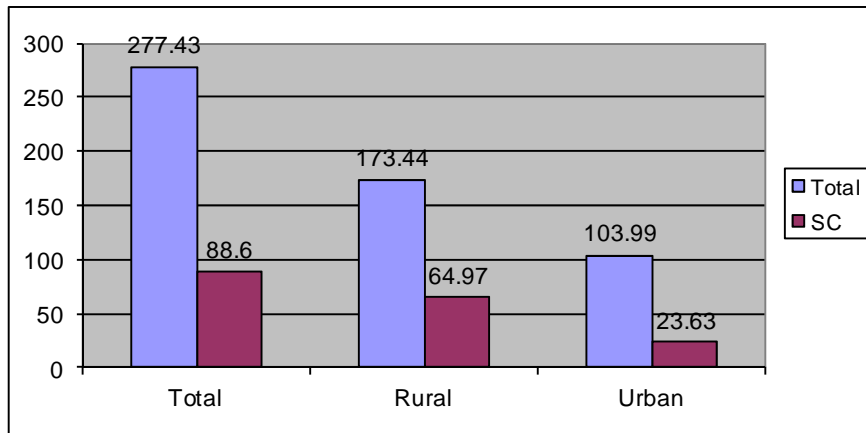

<b>Total Population :</b>	277.43 lac
<b>SC Population :</b>	88.60 lac (31.94%)
<b>General Population :</b>	188.83 lac (68.06%)

### Need for Development of Scheduled Castes

**1.7** Article 46 of our Constitution describes that “the State shall promote with special care, the education and economic interests of the weaker sections of the people, and in particular of the Scheduled Castes and Scheduled Tribes and shall protect them from social injustice and all forms of exploitation”. The Scheduled Castes contribute a lot to the economic development and growth of the national economy. Experience of first four decades of Planning has revealed that the process of economic development and modernization has not benefited the weaker sections of the society to the extent it was envisaged though growth with social justice has been accepted as the main objective for the Planned Economic Development. The desired fruits of progress and flow of benefits have not reached the majority of the Scheduled Castes. They have suffered from the dual disabilities of severe economic exploitation and social discrimination. They are mainly dependent upon the agricultural pursuits and other low income generating occupations

like shoe making, sweeping, basket making, black smithy, weaving, dairy, poultry and piggery etc.

**1.8** In spite of the constitutional directives and a number of legislative and executive measures taken by the Ministry of Social Justice and Empowerment, Govt. of India and the State Governments, the conditions of the Scheduled Castes did not improve much during the period prior to the Sixth Five Year Plan (1980-85) mainly due to lack of economic support. The fruits of development did not percolate uniformly down for those for whom they were intended. The SC population, therefore, was deprived of the benefits and could not get its due share out of development made under the various plan programmes launched by Govt. of India both under the Macro and Micro Plans. In the Sixth Five Year Plan, a new approach aiming at Rapid Socio-Economic Development of Scheduled Castes, in consonance with the Directive Principles, was evolved to ensure flow of benefits from the general sectors to these people. The State Govt. is committed to integrate SCs with other social groups, so that there is no discrimination between the two. This is feasible through increased industrialisation by linking the activity/occupation of SC population by providing them technical skills for vocational jobs.

The new strategy is a combination of the following two important instruments :-

**I. Scheduled Castes Sub Plan (SCSP)**

Scheduled Castes Sub Plan is a flow of funds from the overall Plan Outlay of the State at least in proportion to the percentage of SC population of the State. These funds are utilized for the socio economic and educational development of SC people in the State.

**II. Special Central Assistance (SCA) to the Scheduled Castes Sub Plan.**

Special Central Assistance (SCA) to the Scheduled Castes Sub Plan is a 100% grant provided by the Ministry of Social Justice and Empowerment, Govt. of India to the State for the economic development of Scheduled Castes living below the poverty line in the State.

## **Strategy**

**1.9** The new strategy was evolved with the broad objective to bring about comprehensive socio-economic and educational development of Scheduled Caste people who are the most marginalized, oppressed and deprived section of our society and constitute nearly one-third of the total population of the State. The State Government is making efforts for introduction of new schemes and restructuring the existing schemes on the basis of the actual needs of the Scheduled Castes and earmarking funds under the State Annual Plan for their socio-economic and educational development. The State Government is also making efforts to further strengthen the Directorate of SCSP for formulation, review, evaluation and monitoring of implementation of the programmes for the development of SCs under the Scheduled Castes Sub Plan in a more effective manner.

## **CHAPTER – II**

### **SCHEDULED CASTES SUB PLAN**

#### **Concept**

The concept of Scheduled Castes Sub Plan was envisaged by the Planning Commission of India at the time of formulation of Sixth Five Year Plan (1980-85) with the objective to ensure adequate benefits under SCSP for the socio-economic and educational development of Scheduled Castes both in physical and financial terms by providing funds, out of total outlays of the State Plan, at least in proportion to the percentage of SC population in the State. The Planning Commission of India emphasized that developmental needs and priorities of SCs, because of their historic deprivation, would require even larger proportion of the plan outlays than their population percentage. This plan is envisaged to help the poor Scheduled Caste families through composite income generating programmes by covering all the major occupational groups such as agricultural labourers, small and marginal farmers, share-croppers, fishermen, sweepers and scavengers, unorganised urban labourers living below the poverty line etc. The Scheduled Castes Sub Plan also seeks to improve the living conditions of the Scheduled Castes through provision of drinking water supply, link roads, house-sites, housing improvements, basic minimum services such as primary schools, health centres, veterinary centres, panchayat ghars, community halls, nutrition centres, extension of electricity and common work places/ facility centres, etc in the Scheduled Caste basties under the Minimum Needs Programme to improve their access to social, educational and other community services. Accordingly, efforts are being made by the State Govt. for the socio-economic and educational development of SCs under the Scheduled Castes Sub Plan by making new schemes and restructuring the existing schemes on the basis of their felt needs.

#### **Broad Objectives and Strategy**

**2.2** The scope of land based activities for Scheduled Castes in the State is very limited due to small size land holdings. Land being a scarce commodity has a very high price.

Therefore, there is hardly any scope to increase the size of the holdings of Scheduled Castes. Since, major bulk of these holdings is un-economical, un-viable and also spread over the State and interspersed with the non-SC holdings, the main thrust for the development of Scheduled Castes is, therefore, economic development through education, training, skill development, providing necessary linkages and basic infrastructure development facilities on priority basis in the areas predominantly inhabited by the Scheduled Castes to enable them to settle in employment/self employment ventures. Broad objectives for the socio-economic development of SCs are as follows :-

### **Objectives**

- i) Conservation of whatever assets the Scheduled Castes have;
- ii) Updating and/or providing of new skills to improve their employability or productivity;
- iii) Enabling them to acquire special education/technical qualifications and avail existing as well as the newly emerging opportunities etc;
- iv) Economic development through comprehensive and integrated beneficiary oriented programmes for individual/families/group of families for raising their income;
- v) Ensuring minimum wages of agricultural labour, preventing their exploitation by others in any way;
- vi) Basti/cluster oriented schemes to bring about significant and tangible improvement in the working and living conditions in SC inhabitations;
- vii) Substantial reduction in poverty and un-employment;
- viii) Human Resources Development of Scheduled Castes by providing adequate educational and health Services;
- ix) Diversification of occupation, up-gradation of skills and promotion of occupational mobilities to remove disproportionate burden on them in occupations like agriculture labour and other unpleasant and strenuous works so that human resources are optimally developed and utilized;
- x) Elimination of layer of exploitive middlemen by providing marketing facilities to ensure better prices of products for artisans and other occupational group;

- xi) Provision of physical and financial security against all types of exploitation and oppression; and
- xii) Doing all what is necessary to tackle and eradicate the social problem i.e. atrocities against the Scheduled Castes.

### **Strategy**

- i) Pursuing the indicated objectives, ensuring adequate thrust on economic and educational development of Scheduled Castes;.
- ii) The Scheduled Castes Sub Plan of the State should provide for fully meeting the minimum needs/basic amenities of all the Scheduled Castes habitations with a view to improve their standard of life;
- iii) The Scheduled Castes Sub Plan should also provide for a judicious mix of beneficiary oriented programmes and human resource development for SCs;.
- iv) The schemes taken up should be viable and as far as necessary innovative in a way to diversify Scheduled Castes into newer areas of economic activities;
- v) There should be provision for meeting the backward and forward infrastructure needs;
- vi) The delivery systems have to be effective;
- vii) The organization and association of the beneficiary groups should be given the preference;
- viii) One of the identified gaps has been the need for inculcation a sense of commitment and urgency in the policy making and implementing machinery to fulfilling the objective of development of Scheduled Castes on the desired lines and their integration with the main stream; and
- ix) The Voluntary Agencies/Registered Societies should be suitably associated to supplement the efforts of the State Govt. for the development/upliftment of SCs in the State.

### **Policy Decisions**

- i) A separate Directorate i.e. Directorate of Scheduled Castes Sub Plan has been set up under the Administrative control of the Welfare Department and made the nodal department for formulation, and monitoring the implementation of SCSP/SCA schemes;
- ii) The size of the Scheduled Castes Sub Plan will be conveyed by the Planning

Department as soon as the size of the State Annual Plan is determined. The department wise / scheme-wise outlays in respect of various departments for SCSP will be determined by the Directorate of SCSP in consultation with the concerned Administrative Departments.

- iii) The Scheduled Castes Sub Plan document will be placed in the legislature alongwith other budget documents. State Plan budget will be presented after incorporating the SCSP outlays therein.
- iv) A separate minor head –789-“SCP for SCs” has been opened to book the budgeted SCSP allocation to avoid diversion of SCSP funds to the general sectors;
- v) A separate sub-head has been opened under the Receipt Head of the State Govt. to avoid diversion of SCA funds and to maintain the accountability of the funds received from Govt. of India;
- vi) To have the desired impact under the programmes for the Welfare of SCs, cluster-cum-saturation approach will be adopted as far as possible. Thus, the coverage of families should not be in small number spread over large areas with reference to the existing opportunities. The development package offered should be made more comprehensive and viable by covering benefits and facilities available under other schemes also to the identified beneficiaries. This alone will enable the SC families to consolidate their position and ward off any threat to their security in an effective manner. This will also ensure better provision of common facilities and services and their effective implementation, supervision, monitoring and feed back.
- vii) Setting up and upgradation of educational/health/veterinary institutions, adult education centres, anganwari centres under ICDS, opening of the offices of co-operative milk producers society and milk collection centres should be located in or near the vicinity of SC mohallas/localities. Similarly, facilities for basic minimum needs programmes for the community such as water supply, sewerage, sanitation etc. should be located in the mohalla/villages/towns/blocks predominantly inhabited (40% or more) by SC population and the entire expenditure on this account should be booked under SCSP although the general

population of these areas will also avail these facilities.

- viii) The ADC (Development) in each district will be the Nodal Officer under the overall control of Deputy Commissioner of the concerned district for formulation, implementation, monitoring/review and co-ordination of programmes and schemes falling under the district level SCSP/SCA for the respective districts. The concerned District Welfare Officer will provide necessary secretariat assistance to the ADC (D) as is being done by the Deputy E.S.A. in case of district plan schemes.
- ix) The Concerned District Heads/ District Welfare Officer will intimate the Welfare Department, the physical targets to be achieved under each SCSP scheme and also specify the area of operation and beneficiaries/families to be covered to enable the Welfare Department to have on the spot checking of the working and implementation of the schemes to see as to whether the schemes are being implemented in the right spirit and beneficiaries covered are genuine.
- x) The District Head of the concerned departments/ District Welfare Officer will supply the monthly, quarterly and annual physical and financial achievements under SCSP to ADC (Dev.) who in turn will supply the scheme-wise/department-wise consolidated statement for the district in the prescribed proforma to the Director (SCSP)-cum-Joint Secretary, Welfare Department.
- xi) The Heads of Departments concerned with the Decentralised Planning are also required to monitor, supervise and guide the implementation of the district level schemes of their respective departments and to take appropriate measures to ensure that the target fixed for each scheme is achieved.

### **Scheduled Castes Sub Plan-Formulation Process and Budgetary Mechanism**

#### **Formulation Process**

**2.3** As per the detailed guidelines issued by the Planning Commission of India (**Annexure-I, Annexure-II & Annexure- III**) regarding the Scheduled Castes Sub Plan, the objective of SCSP is to channelise the flow of outlays and benefits from the general sectors of the State Plan for the development of Scheduled Castes at least in proportion to their population both in physical and financial terms. Further, SCSP should be an

integral part of the State Annual Plan as well as Five Year Plan by making non-divertible provisions, therein, with the clear objective of bridging the gap in socio-economic and educational development of the Scheduled Castes. To fulfill these objectives, Govt. of India has recommended the Action Plan as under:-

- i) Earmarking of funds for Scheduled Castes Sub Plan from the total State Plan Outlay at least in proportion to SC population to the total population of the State/UT.
- ii) Making the Social Welfare Department/the Department concerned with the welfare and development of SCs as the nodal department for formulation and implementation of SCSP.
- iii) Placing the funds earmarked for SCSP at the disposal of the nodal department concerned which in turn will reallocate these funds to the sectoral departments for implementing the schemes directly relevant to SC development.
- iv) Placing the funds earmarked for SCSP under a separate budget head/sub-head for each development department implementing SCSP. In this connection, it may be noted that the List of Major and Minor Heads of Accounts of States provides that for Scheduled Castes Sub Plan , 789 may be opened as a Minor Head below the functional Major Head/Sub Major Head, wherever necessary.
- v) Secretary Welfare will work as nodal officer with planning powers to reallocate the earmarked SCSP funds to various line departments and implementing agencies.
- vi) Scheduled Castes Sub Plan funds should be non-divertible and non-lapsable.
- vii) Special Central Assistance (SCA) for the SCSP is provided by the Ministry of Social Justice and Empowerment, Govt. of India to the States as a 100% grant to fill up the critical gaps and missing inputs for family-oriented income-generating schemes and supporting infrastructure development with a special focus on BPL SC families. Guidelines issued in this connection should be strictly followed.

## **Budgetary Mechanism**

**2.4** To implement the Scheduled Castes Sub Plan in a more effective manner in line with the guidelines of the Planning Commission of India and the recommendations of the National Commission for Scheduled Castes, Govt. of India, implementation of 'Maharashtra Model' for SCSP (**Annexure IV**) was approved by the State Cabinet on 6-3-2003.

**2.5** The Council of Ministers in its meeting held on 20-1-2014 while reviewing the decision of CMM dated 6.3.2003 regarding implementation of 'Maharashtra Model' in the State has taken some policy decisions to implement the SCSP in the State in a more effective manner. A notification in this regard was issued on 10-2-2014 (**Annexure V**).

**2.6** As per notification dated 10.2.2014, the following decisions were taken:-

- i) The SCSP size will be made proportionate to the percentage of SC population of the State out of the total Annual Plan allocation including the non-budgeted allocation on the pattern of the State Annual Plan.
- ii) The SCSP funds will not be divertible but will be lapsable on the pattern of the State Annual Plan funds. The funds booked under SCSP can only be diverted by a committee under the Chairmanship of Secretary Welfare with one representative each from the finance and the planning departments. However, no diversion of SCSP funds will be made to the general sector.
- iii) The department of welfare will be the nodal department for formulation and monitoring of the implementation of SCSP. In case of schemes exclusively meant for SCs, the implementing departments will formulate the schemes in consultation with the welfare department. However, in case of general plan schemes, the implementing departments will consult the welfare department only regarding the SCSP components of those schemes.

- iv) The concerned implementing departments will be fully responsible for proper implementation of SCSP schemes/components, audit and reconciliation of accounts for these schemes/components from the Accountant General (Audit), Punjab and replies to the Punjab Vidhan Sabha/Public Accounts Committee and any other function which is required to be performed as a head of the department for implementation of plan schemes including the SCSP schemes/ components.
- v) The allocation under SCSP schemes/components included in the SCSP budgeted allocation will continue to be booked in the Minor Head-789-“SCP for SCs” below the major/sub-major head under the respective demand of the concerned implementing departments.
  - a) In case of non beneficiary oriented schemes, a portion equal to SC population (~32%) will be booked under SCSP.
  - b) In case of irrigation and agriculture departments, where SC beneficiaries are substantially less, only half of the portion equal to SC population (~16%) will be booked under SCSP.
  - c) The beneficiary oriented schemes will be further put under two categories. One, where the percentage of SCSP is less than portion equal to SC population (<32%) and the other, where the percentage will be equal or more than the portion equal to SC population ( $\geq 32\%$ ).
  - d) As per the guidelines of the Planning Commission, the expenditure incurred on the infrastructure created in the villages having 40% or more SC population, can be fully booked under SCSP expenditure. Therefore, under such schemes, 40% allocation will be booked under SCSP.
  - e) The percentages under SCSP schemes/components will be worked out by the welfare department in consultation with the departments based on historical data and future trend within the overall SCSP component determined on the basis of resources finalised by the

Planning Commission, GOI/ Finance Department, Punjab.

- vi) The concerned administrative departments will seek the concurrence of the welfare department in accordance with the instructions issued for the clearance of plan schemes by the planning department from time to time regarding the beneficiary oriented SCSP schemes/components, wherein, the direct benefit accrues to the individual or the families belonging to the Scheduled Castes. The identification of beneficiaries oriented schemes/components will be done by the welfare department in consultation with the implementing departments. However, the approval of both the general and Special Component Plan (now SCSP) will be accorded by the Punjab State Planning Board through the usual process being followed for the approval of Five Year/Annual Plans.
- vii) The department of welfare will prepare as many schemes as possible directly benefitting the SC population. The planning department will endeavor to include as many schemes as possible in the Annual Plan with the requisite allocation.
- viii) The department of welfare will enhance/reduce the scheme-wise/component-wise SCSP allocation in consultation with the departments within the revised plan size indicated by the finance department, Punjab at the time of finalisation of revised estimates/supplementary for the Plan Budget.
- ix) The inclusion/deletion of SCSP schemes/components will be done by the welfare department in consultation with the departments within the revised plan size indicated by the finance department, Punjab at the time of finalisation of revised estimates/supplementary for the Plan Budget.
- x) The prior approval , if required , for any issue relating to formulation of SCSP which is within the purview of the finance department as per Allocation of Business Rules will be obtained.

- xi) The department of welfare, being the nodal department, in case faces any problem in formulation and monitoring the implementation of SCSP, will take necessary action in consultation with the department of planning and the department of finance

### **Steps taken by the State Government**

**2.7** The State Govt. has taken the following steps for the effective implementation of SCSP:-

- i) Out of the total 12,168 inhabited villages in the State, 4799 villages (39.43%) with 40% or more SC population (on the basis of Census 2011) have been identified to provide infrastructure facilities to the SC inhabitations on priority basis;
- ii) A State Level Review Committee under the Chairmanship of Chief Minister, Punjab has been constituted for monitoring and review of schemes under SCSP/SCA (**Annexure-VI**);
- iii) A State Level Standing Tripartite Committee, under the Chairpersonship of Minister-in-Charge, Welfare of SCs and BCs, has been constituted to review and monitor the implementation of SCSP/SCA schemes (**Annexure-VII**). 10 meetings of this committee have been held so far;
- iv) District and Block level Monitoring Committees have been constituted for review/monitoring of SCSP/SCA schemes at the grass root level (**Annexure-VIII and Annexure-IX**). 49 meetings of the Block Level Monitoring Committees have been held so far;
- v) A Monitoring Cell has been established in the Directorate of SCSP to evaluate the SCSP/SCA schemes on regular basis. This Cell has already done evaluation of SCA schemes for the years 2008-09 and 2009-10 and the reports in this regard have been submitted to the Ministry of Social Justice and Empowerment, GOI. The evaluation of SCA schemes implemented during 2010-11 is under progress.

## **District Planning Committees (DPCs)**

**2.8** The District Planning Committees have been constituted by the State Govt. in all the districts of the State. The Department of Planning had issued detailed guidelines regarding formulation of the District Plan by the District Planning Committees. However, the work regarding preparation of District Plan is yet to be started at the district level. To ensure the proper implementation of the district level schemes, the Department of Planning had changed the system for release of funds under the district level schemes from the year 2010-11. The concerned Administrative Departments have been made fully responsible for the release of funds for the district level schemes from the Finance Department and, thereafter, issuing sanctions to their field level implementing agencies. Accordingly, the Department of Welfare had also issued guidelines to the Administrative Departments concerned with SCSP to ensure that the SCSP share should be depicted under the minor head -789 while issuing the sanction for the district level schemes.

## **Appraisal of the 11<sup>th</sup> Five Year SCSP (2007-12)**

**2.9** During 11<sup>th</sup> Five Year Plan (2007-2012), out of an actual plan allocation of Rs.40616.00 Crore, an allocation of Rs.11574.00 Crore was earmarked under SCSP for the socio economic and educational development of Scheduled Castes in the State. Against this allocation, an expenditure of Rs.7085.35 Crore was incurred during 11<sup>th</sup> Five Year SCSP. In addition, Rs.38.07 Crore were spent under the Special Central Assistance Programme during the same period to enable the below poverty line SC families to cross the poverty line. Against this expenditure, an institutional finance to the tune of Rs.44.77 Crore was also raised from the different financial institutions for economic upliftment of BPL SC families. Similarly, an expenditure of Rs. 964.80 Crore was incurred as central share under SCSP for the Centrally Sponsored Schemes. Accordingly, total expenditure of Rs. 7638.10 Crore was incurred during the 11<sup>th</sup> Five year SCSP including an expenditure of Rs. 798.57 Crore under various poverty alleviation schemes to assist 3.51 lac SC families.

## Size and Performance under the Scheduled Castes Sub Plan since 8<sup>th</sup> Five Year Plan (1992-97)

**2.10** As per the guidelines of the Planning Commission of India, the size of the Scheduled Castes Sub Plan out of the total State Plan outlay should be at least in proportion to the percentage of SC population of the State. However, the size of SCSP remained lower than the percentage of Scheduled Castes population in the State up to 9<sup>th</sup> Five Year Plan period (1997-02). Since 2003-04, the size of SCSP is being made proportionate to the percentage of SC population of the State. The financial performance under the Scheduled Castes Sub Plan during 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> Five Year Plan period remained between 46% and 66%. The performance during 11<sup>th</sup> Five Year Plan remained between 52% and 66%. The performance during first two years of 12<sup>th</sup> Five Year Plan remained satisfactory at the level of 67% and 72%, respectively. The year-wise detail of performance under SCSP as compared to the State Plan Outlay since 8<sup>th</sup> Five Year Plan is given as under:-

(Rs. in Crore)

Year	State Plan			Scheduled Castes Sub Plan			
	Outlay	Exp.	%age performance	Outlay	%age of SCSP outlay to Annual Plan outlay	Exp.	%age performance

### Strategy for SCSP during 12<sup>th</sup> Five Year Plan (2012-2017)

**2.11** As per Census 2011, Punjab has the highest SC population percentage (31.94%) in the country as compared to the other States. At present, the size of SCSP is being determined equivalent to the percentage of SC population in the State, out of the total size of the State Annual Plan, after quantifying the SCSP component out of the plan schemes included in the State Annual Plan in consultation with the concerned Administrative Departments.

**2.12** While determining the SCSP outlay under various schemes, the following factors/criterion have been taken into account :-

- Earmarking of outlay for indivisible sectors, (5% or actual) as per guidelines of the Planning Commission
- SC population of the State,
- Enrolment of SC students in the Educational Institutes,
- Reservation policy in Admissions/Services,
- SC dominated villages having 40% or more SC population and
- Actual flow of beneficiaries under the beneficiary oriented schemes etc.
- Agricultural land holding owned by Scheduled Castes.

**2.13** From the Year 2014-15, efforts shall be made to implement the SCSP as per the above criterion and decision of the CMM dated 20.01.2014, to the extent possible. Efforts shall also be made to further rationalize the SCSP schemes as per the requirement in the near future and also to reduce the notional allocation, to formulate the new schemes and restructure the existing schemes as per the felt needs of SC people in consultation with the implementing departments to the extent possible.

#### **Scheduled Castes Sub Plan 2014-15**

**2.14** The size of SCSP for 2014-15 has been pegged at Rs. 6432.00 Crore which is 32.00% of the total State Plan outlay of Rs. 20099.83 Crore for 2014-15 indicating 38% increase over the SCSP size for 2013-14. The programme wise break up of allocation for 12<sup>th</sup> Five Year Plan (2012-17), 2013-14 and 2014-15 is given below:-

Sr. No	Programme	12 <sup>th</sup> Plan SCSP Outlay	SCSP 2013-14		SCSP 2014-15
			Approved outlay	Expenditure	Approved outlay
1	2	3	4	5	6
1	Health, Housing & Environmental improvement and other community development Programme.	17726.90	3365.12	2438.44	4445.92
2	Social Security Programme	2663.43	554.84	401.91	514.73
3	Education, Training and Skill Development Programme	4917.96	640.33	463.95	916.54
4	Economic Development Programme	1261.71	92.71	67.44	554.81
	<b>Total</b>	<b>26570.00</b>	<b>4653.00</b>	<b>3371.74</b>	<b>6432.00</b>

**2.15** The detail of budgeted, non-budgeted outlay and expenditure for SCSP 2013-14 and 2014-15 is given in the table on the next page.

**Detail regarding budgeted and non budgeted outlay of State Annual Plan vis-à-vis  
SCSP 2013-14 and 2014-15**

**2.16** During 2014-15, out of SCSP allocation of Rs. 6432.00 crore, the funds amounting to Rs. 2225.76 Crore are likely to be spent as Centre Share under various Centrally Sponsored Schemes including the Special Central Assistance of Rs 24.62 crore. Accordingly, total expenditure of Rs. 6456.62 Crore is likely to be incurred under SCSP during 2014-15 including Rs.154.98 Crore to assist 129526 Scheduled Caste families under Point No. 11(i) of 20 Point Programme.

## CHAPTER III

### SPECIAL CENTRAL ASSISTANCE (SCA) PROGRAMME

#### Concept

The Ministry of Social Justice and Empowerment, Government of India had launched a Central Sector Scheme “**Special Central Assistance (SCA) to Scheduled Castes Sub Plan (SCSP)**” in the year 1979-80. Special Central Assistance is an additive to the Scheduled Castes Sub Plan (SCSP) of the State and is not linked to any particular programme or scheme. Under this programme, a lumpsum amount is released to the States and formulation of schemes and schematic allocation is done by the States at their own level keeping in view the guidelines of Govt. of India. The only condition with regard to SCA is that it should be spent on the programmes/schemes for the economic development of BPL SC families to enable them to cross the poverty line. It is not possible to make any discernible impact on the conditions of the SCs particularly in the rural areas as economic development has been recognized as a core solution of the problems of SCs. SCA should be used in an integrated, optimal and cost effective manner in conjunction with the flow of outlays/ benefits from various sources of the State or to be in conjunction with the Scheduled Castes Sub Plan of the State mainly for income generating schemes for SCs living below the poverty line.

#### Criteria for allocation of SCA to the States

**3.2** The criteria for allocation of Special Central Assistance to the States by Govt. of India is as under : -

- |      |   |     |
|------|---|-----|
| i)   | On the basis of SC population of the State  | 40% |
| ii)  | On the basis of Relative backwardness of the State (Inverse of State's per capita domestic product)   | 10% |
| iii) | On the basis of the percentage of SC families in the State covered by the composite economic development programmes in the Plan to enable them to cross the poverty line. | 25% |
| iv)  | On the basis of Scheduled Castes Sub Plan to the Annual Plan as compared to the SC population percentage in the State.  | 25% |

**3.3** Thus, 40% of SCA is distributed on the basis of SC population, 10% on the basis of relative backwardness and 50% on the basis of effort-based criteria. Out of the total SCA released to the States, 10% can be utilized for infrastructure development programmes in the villages having 50% or more SC population, 15% on viable income generating economic development schemes for SC women, 5% on schemes exclusively meant for the economic development of disabled persons among the Scheduled Castes, 10% on the skill development training schemes/programmes and 3% for supervision, monitoring and evaluation of economic development schemes implemented with the support of SCA funds.

**3.4** The detailed guidelines issued by the Ministry of Social Justice and Empowerment from time to time regarding utilisation of Special Central Assistance are at **Annexure-X**.

**3.5** The details of SCA received from GOI and utilised by the State Govt. since Five Year Plan is given in the following table :-

**( Rs. in lac)**

<b>Year</b>	<b>Opening balance</b>	<b>SCA released by GOI</b>	<b>Total SCA available (Col. 2+Col. 3)</b>	<b>SCA utilized (out of Col 4)</b>	<b>Unspent balance (Col.4-Col.5)</b>	<b>Physical achievement (Beneficiaries) (against Col. 5)</b>

2013-14	914.61	-	914.61	440.48	474.13	7841

**3.6** The Ministry of Social Justice and Empowerment, GOI has earmarked Rs. 52.00 Crore as notional allocation for the State of Punjab for the year 2014-15. State Govt. in

anticipation of receipt of SCA from the Ministry of Social Justice and Empowerment has prepared an action plan of Rs. 24.62 Crore for the year 2014-15 to cover 32090 beneficiaries. This allocation will be revised during the course of the year according to the funds released by the Ministry. The department wise and scheme wise detail regarding financial and physical achievements during 2012-13 and 2013-14 and proposed financial and physical targets for 2014-15 is given in the Statement VIII, Statement IX & X, respectively.

### **Department-wise write up of schemes to be implemented under SCA Programme during 2014-15**

#### **I. WELFARE OF SCHEDULED CASTES**

##### **SCA(SC)-1 Setting up of institutes for training in typing & stenography to below poverty line SCs**

*Approved Outlay-Rs.114.92 Lac*

**3.7** Under the Scheme, training in Stenography (Punjabi and English) is being imparted at Stenography Institute at SAS Nagar, (Seating capacity 80) to the unemployed below the poverty line SC graduates. Two more training institutes at Firozeur and Patiala were set up in the year 1999 and one training institute at Amritsar in 2002 on the pattern of SAS Nagar Institute. The sanctioned seats in the training institutes set up at Firozeur, Patiala and Amritsar is 50 seats each (25 English and 25 Punjabi). These training Institutes provide shorthand and typing training (Punjabi and English language) to the unemployed BPL SC graduates. These institutes have also been equipped with the facility of computers. The duration of the training is one year. In addition, free coaching and stipend @ Rs. 750 per month is paid to each trainee during the training.

An amount of Rs.78.27 lac has been spent to train 144 SC beneficiaries during 2013-14. An allocation of Rs.114.92 lac has been earmarked for the year 2014-15 to provide training to 180 beneficiaries under the scheme.

**SCA(SC)-2 Training of unemployed scheduled castes as driver of light/heavy vehicles**

*Approved Outlay-Rs.50.00 Lac*

**3.8** The scheme envisages to provide training to the below poverty line SC persons for driving light/heavy vehicles with a view to provide them employment/self employment. The training is imparted in the State run Industrial Training Institutes (ITIs). Duration of the training is one year and during this period, trainees are provided stipend @ Rs. 1000 per month. Besides, other expenses relating to training such as Instructor's salary, machinery & equipment, repair and maintenance, miscellaneous expenses etc., are charged from this scheme. After the completion of training, trainees would be awarded a National Trade Certificate from NCVT or State Trade Certificate from SCVT after they are tested in All India Trade or State Trade Test. The scheme could not be implemented during 2013-14 due to non receipt of SCA funds from Govt. of India. An allocation of Rs.50.00 lac has been earmarked for the year 2014-15 to provide training to 150 beneficiaries under the scheme.

**SCA(SC)-3 Providing of equipment /raw material in 24 Training-cum-Production Centres of Welfare Department**

*Approved Outlay-Rs.20.00 Lac*

**3.9** The objective of the scheme is to train SC widows/women and girls living below the poverty line in technical trades so as to enable them to supplement their family income. 24 Training-Cum-Production Centres of different trades i.e. Readymade garments-10, Handloom-5, Canning-3, Plastic goods-1, Leather goods-4, Carpet making-1 are sanctioned and at present only 13 centres are functioning in the State. 25 trainees are trained in each training centre every year. Funds are provided for the supply of raw material, maintenance of machines and purchase of furniture etc. Duration of the training is one year. After completion of training, training will be provided a sewing machine so that they can adopt self employment. The items prepared by the trainees during the training are sold in the market at 10% profit by holding exhibitions on different

occasions. The profit money is used as revolving fund for purchase of raw material of the concerned trade. After completion of training, trainees are also provided assistance to take up self-employment in the respective trades. After completion of one batch, the training centres are shifted to other villages preferably SC dominated villages having 40% or more SC population. The concerned village panchayat provides rent free building and also pays the electricity and water charges of the centre running in the village.

**3.10** The scheme could not be implemented during 2013-14 due to non receipt of SCA funds from Govt. of India. An allocation of Rs.20.00 lac has been earmarked for the year 2014-15 to cover 200 trainees under the scheme.

**SCA(SC)-4 Strengthening of 108 Community Centres-providing equipment and raw material**

*Approved Outlay-Rs.55.00 Lac*

**3.11** The Scheme is being implemented on the non-plan side. Under the scheme, one year training in cutting, tailoring and embroidery is provided to the below poverty line women/girls to enable them to be self employed/self dependent, economically. The expenditure on the staff is met from the non-plan budget. Funds required for of raw material, repair and maintenance of machinery etc. are provided under the scheme to strengthen the existing 108 Community Centres opened in the State. However, due to lack of required staff, at present, only 45 centres are working and 63 centres have been closed.

**3.12** The scheme aims at to remove the stigma of untouchability and to bring about change in the living standard of the SC women/girls. In each centre 20 BPL SC women/girls are trained every year. During the training, a stipend of Rs. 500/- P.M. per trainee is paid. The items prepared by the trainees during the training are sold in the market at 10% profit by holding exhibitions on different occasions. The profit money is used as revolving fund for purchase of raw material for the concerned trade. After completion of one batch, the training centres are shifted to other villages preferable SC dominated villages having 40% or more SC population. The concerned village panchayat provides rent free building and also pays the electricity and water charges of the centre running in the village.

**3.13** The scheme could not be implemented during 2013-14 due to non receipt of SCA funds from Govt. of India. An allocation of Rs.55.00 lac has been earmarked for the year 2014-15 to pay stipend to 760 trainees under the scheme.

**SCA(SC)-10 Creation of infrastructure facilities in the Villages having 50% or more SC population**

*Approved Outlay-Rs.250.00 Lac*

**3.14** As per the guidelines of the Ministry of Social Justice and Empowerment, Govt. of India, 10% of the total SCA released to the States can be utilized on creating infrastructure in the villages having 50% or more SC population. Under the scheme, infrastructure facilities such as pucca streets, drinking water, drainage, streets lights, community centres, toilets etc. in the villages having 50% or more SC population of the State can be provided.

**3.15** During 2013-14, the scheme could not be implemented due to non receipt of SCA funds from Government of India. An allocation of Rs.250.00 lac has been earmarked for the year 2013-14 to provide basic infrastructure facilities to 2500 families under the scheme.

**SCA(SC)-12 Capital Subsidy to PSCFC under bank tie-up loaning programme**

*Approved Outlay-Rs 800.00 Lac*

**3.16** Under this scheme, loan through commercial banks is provided to the SC families living below the poverty line for self-employment / ventures. Capital Subsidy @ 50% of the loan amount subject to the maximum of Rs.10,000 is provided out of SCA.

**3.17** An amount of Rs.100.00 lac has been spent during 2013-14 to provide subsidy to 1000 BPL SC families. An allocation of Rs. 800.00 lac has been earmarked under the scheme for the year 2014-15 to cover 8000 beneficiaries.

## II. SCHEDULED CASTES SUB PLAN

### SCA(SCSP)-1 Formulation / Implementation/ Monitoring and Review of SCSP

*Approved Outlay-Rs 15.00 Lac*

**3.18** The Directorate of Scheduled Castes Sub Plan was set up by the State Govt. in the year 1994 for formulation/implementation/monitoring and review of SCSP in an effective manner. This Directorate is maintaining the data base of Scheduled Castes in Punjab. For this purpose, a Computer Centre has been set up in the Directorate. The Department is also developing the independent Website for the Welfare Department and the complete data base will be uploaded on it. Besides, study tours/training of the officers of the Directorate are proposed to be organized with the objective to update their knowledge and skill in the field of economic planning. An amount of Rs. 8.20 lac has been spent during 2013-14. An amount of Rs. 16.00 lac has been earmarked for this scheme for the year 2014-15 as per the following details:-

		<b>(Rs. lac)</b>
(i)	Computerisation of Directorate of SCSP	15.00
(ii)	Strengthening of Data Base, Study Tours, Training etc.	1.00
<b>Total:</b>		<b>16.00</b>

### SCA(SCSP)-2 Implementation of SCA Programmes at the District Level- Placing of funds at the disposal of District Rural Development Agencies (DRDAs)

*Approved Outlay- Rs 610.00 Lac*

**3.19** It has been observed that the development programmes being implemented for the below poverty line Scheduled Castes in the districts tend to get slow down either because a particular input is not available under the approved schemes or certain sanctions/formalities take a long time due to procedural constraints and the matter is referred to the State Headquarters for final approvals. These programmes have also suffered due to non-availability of funds. The SCA funds are provided to the District Rural Development Agencies(DRDAs) on adhoc basis keeping in view the performance of the district(s) and the genuine proposals. DRDAs formulate the schemes for the economic development of below poverty line scheduled Castes with reference to their

occupational pattern which increases productivity and income from their limited resources. DRDAs send these proposals to the Directorate of Scheduled Castes Sub Plan for approval and this Directorate after according the necessary approval releases the funds to the concerned district authorities after getting the sanction and drawing the funds from the Finance Department and the treasury respectively.

**3.20** An amount of Rs. 177.13 lac has been spent during 2013-14 to assist 5117 beneficiaries. An allocation of Rs.610.00 lac has been earmarked for the year 2014-15 to cover 6100 beneficiaries under the scheme.

**SCA(SCSP)-3 Survey/ Evaluation of SCA Schemes**

*Approved Outlay-Rs 2.70 Lac*

**3.21** The Ministry of Social Justice and Empowerment, Govt. of India intends that a survey should be regularly conducted to ascertain the number of families who have crossed the poverty line after availing the benefits of financial assistance under the SCA programme.

**3.22** As per the requirement of Govt. of India, the work regarding evaluation of schemes implemented during 10<sup>th</sup> Five Year Plan period (2002-2007) was assigned to 'Mahatama Gandhi State Institute of Public Administration, Punjab'. The evaluation report submitted by the Institute has been further submitted to Govt. of India after the required amendments. For this purpose, Rs.5.40 lac were to be paid to the Institute. Half of the amount i.e. Rs. 2.70 lac has already been paid to the Institute during 2010-11 while the remaining amount (2.70 lac) could not be paid due to non release of funds by the State Finance Department during 2011-12, 2012-13 and 2013-14. The pending liability of Rs. 2.70 lac will be paid to the Institute during 2014-15.

**SCA(SCSP)-4 Setting up of a Monitoring Cell in the Directorate of SCSP for the purpose of surveys/studies and evaluation**

*Approved Outlay-Rs 30.00 Lac*

**3.23** As per the guidelines of Ministry of Social Justice and Empowerment, Govt. of India with regard to implementation of SCA programme, 3% of the total SCA funds received from Govt. of India can be utilized on staff and infrastructure for proper

monitoring of SCA schemes. To know the impact of the Special Central Assistance Programme, the Ministry of Social Justice and Empowerment, Govt. of India seeks the information about the number of beneficiaries who have crossed the poverty line after availing the benefit of SCA every year. To meet the requirement of the Ministry on year to year basis, a Monitoring Cell was established in the Directorate of Scheduled Castes Sub Plan during 2010-11. The evaluation reports prepared by this cell for the SCA schemes implemented during 2007-08, 2008-09 and 2009-10 have already been sent to the Ministry of Social Justice and Empowerment, Govt of India. The evaluation of the schemes implemented during 2010-11 is at the final stage and the report in this regard will be submitted to GOI, shortly. During 2013-14, an amount of Rs. 12.21 lac has been spent. During 2014-15, the Monitoring Cell will evaluate the schemes implemented during 2011-12 and for this purpose, an amount of Rs. 30,00 lac has been earmarked.

### **III. ANIMAL HUSBANDRY**

#### **SCA(AH)-1 Scheme for female buffalo calf rearing**

*Approved Outlay-Rs 50.00 Lac*

**3.24** The objective of the scheme is to improve the economic status of the BPL Scheduled Caste landless labourers involved in the Animal Husbandry practices by providing them young buffalo female calve (5-6 months old) for rearing. When these calves are fully developed, the beneficiaries can sell them in the market or can keep the same for milk production. This would help them to generate additional family income to cross the poverty line. The calve will be selected from the dairy farms around the cities where buffalo of superior genetical potential are available in abundance.

**3.25** Under the scheme, each beneficiary will be given 3 female buffalo calves. De-worming of these calves will be done by the Animal Husbandry Department free of cost. The total cost of a unit of 3 female buffalo calve would be Rs.10000/- (maximum) which includes the insurance of the calve. An expenditure of Rs.4.50 lac has been incurred during 2013-14 to provide calves to 45 beneficiaries. An allocation of Rs. 50.00

lac has been earmarked to provide calves to 500 BPL SC families under the scheme during 2014-15 .

#### **SCA(AH)-2 Setting up of Goat/Sheep rearing units**

*Approved Outlay-Rs 20.00 Lac*

**3.26** Under the scheme, each identified family will be provided a unit of five goats. A subsidy @ 50% of total cost of the unit subject to a maximum limit of Rs.10,000/- will be provided to each BPL SC family. Deworming of the goats would be done by the Animal Husbandry Department free of cost. The scheme could not be implemented during 2013-14 due to non receipt of SCA funds from Govt. of India. An allocation of Rs.20.00 lac has been earmarked under the scheme during 2014-15 to establish 200 goat rearing units.

#### **SCA(AH)-4 Establishment of Turkey units for BPL SCs**

*Approved Outlay-Rs 9.00 Lac*

**3.27** Poultry sector provides nutritional security, self-employment and subsidiary income especially to the rural poor. The department has proposed to provide financial assistance as well as technical guidance to the BPL SC people interested in taking up the turkey rearing occupations. The scheme envisage to provide 10 turkey poults (unsexed) of 6-8 weeks at a total cost of Rs. 1600/- to the selected BPL SC families. Besides, each family will be provided a sum of Rs. 2000/- for construction of Shed (8'X8') and for feed etc. Thus, the total cost of a turkey unit is approximately Rs.3600/-.

**3.28** The scheme could not be implemented during 2013-14 due to non receipt of SCA funds from Govt. of India. An allocation of Rs. 9.00 lac has been earmarked for the year 2014-15 to set up 250 Turkey units under the scheme.

#### **SCA(AH)-5 Setting up of Backyard Poultry Units for BPL SCs**

*Approved Outlay-Rs 20.00 Lac*

**3.29** The scheme has a dual purpose to produce organic eggs and poultry meat with the aim to enhance the income of BPL SC families. Under this scheme, Rs. 600/-

will be provided to the BPL SC family to purchase 20 chicks of low input technology @ Rs.30 per chick. Also Rs. 1400/- will be provided to the family for preparing shed and purchasing feed and other required inputs. Thus, the total cost of the unit will be approximately Rs. 2000/-.The beneficiaries will be able to sell eggs and chicken to enhance their income. Apart from it, they will also utilize the poultry products at their home. The scheme could not be implemented during 2013-14 due to non receipt of SCA funds from Govt. of India. An allocation of Rs. 20.00 lac has been earmarked for the year 2014-15 to cover 200 families.

**SCA(AH)-6 Supply of Hand Driven Chaff Cutter (Toka Machine) to landless/marginal Scheduled Castes families**

*Approved Outlay-Rs 6.00 Lac*

**3.30** This scheme was introduced during 2013-14 on trial basis. The objective of the scheme is to facilitate the landless and marginal below poverty line Scheduled Caste families by providing them a hand driven chaff cutter at their door step so that they can feed their milch animals properly and easily.

**3.31** The landless agriculture labourers and marginal SC farmers who keep with them milch animals and other livestock for their domestic need collect the green fodder from the fields but have no fodder cutter of their own. They have to go to the land owners/large farmers for cutting their fodder. Under this scheme, each beneficiary will be given a good quality hand driven chaff cutter at a cost of Rs.6000/-. The scheme could not be implemented during 2013-14 due to non release of funds by the State Finance Department. During 2014-15, a budget provision of Rs. 6.00 lac has been made under the scheme to provide Chaff cutters to 100 BPL SC families.

**SCA(AH)-8 Providing insurance cover to milch animals reared by Scheduled Castes families. (New Scheme)**

*Approved Outlay-Rs 100.00 Lac*

**3.32** In order to encourage SC families for milk production, the concept of livestock insurance has been initiated for the purpose of compensation in case of death of

the milch animal due to deadly disease. At present, Animal Husbandry Department is implementing insurance scheme for the general public under which a milch animal is insured at a premium of Rs. 2000/- per animal. Out of this premium, Animal Husbandry Department pays Rs. 1000/- while the remaining amount of Rs. 1000/- is charged from the cattle owner. Under this scheme, it is proposed to pay the beneficiary share out of SCA in case of BPL SC families.

**3.33** During 2014-15, an amount of Rs. 100 lac has been earmarked to provide insurance cover to 10,000 milch animals owned by BPL SC families.

#### **IV. HORTICULTURE**

##### **SCA(H)-1 Subsidy for Sericulture**

*Approved Outlay-Rs. 18.75 Lac*

**3.34** This scheme was initiated in the year 1996-97 for the development of sericulture in the State. The scheme is proposed to be implemented in semi-hill areas of the State because the climate and environment is most favourable for sericulture in this area. Under the scheme, out of the total unit cost of Rs. 15000/- for the construction of a rearing house of 15'x12' size, 75% of the cost subject to maximum limit of Rs.10,000/- is provided as subsidy out of SCA and the remaining amount is contributed by the beneficiary. The scheme could not be implemented during 2013-14 due to non receipt of SCA funds from Govt. of India. An allocation of Rs.18.75 lac has been earmarked for the year 2014-15 to provide benefit to 187 BPL SC families in Ropar, Shaheed Bhagat Singh Nagar, Gurdaspur and Hoshiarpur districts under the scheme.

#### **V. INDUSTRIES (PUNJAB INFOTECH)**

##### **SCA(INFO)-1 Computer Training to 10<sup>th</sup> & 12<sup>th</sup> pass BPL SC boys/girls through CAL-C**

*Approved Outlay-Rs 220.00 Lac*

**3.35** Punjab Information and Communication Technology Corporation Limited (Punjab Infotech) is a State Government undertaking which imparts computer education in the Centre for Advance Learning in Computers (CAL-C). These are authorized training centres by the State Govt. At present, there are about 80 training

centres running through-out the State. These training centres are well equipped with required staff and infrastructure of the latest technology.

**3.36** This scheme was included during 2012-13. Punjab Infotech is providing training to the SC BPL youth in two modules. First module is One Year (two semesters) Certificate Course in Computer Application for 10<sup>th</sup> pass candidates. In the first semester, training will be imparted in fundamentals, MS-Office, PC Maintenance and Internet Browsing. The Second semester includes training in MS Access, Computer Programming using C++, Computer Network and Communication Skills. Second Module includes One year (two semesters) Diploma in Computer Application for 12<sup>th</sup> pass candidates. In the first semester, training will be imparted in Computer Fundamentals and Operating System, MS-Office, DTP and Communication Skills & Soft Skills. In the second semester, training will be imparted in Computerized Accounting (Tally), Computer Programming using C++, PC maintenance, Troubleshooting and Project Work. After successful training, each candidate will be given a certificate by Punjab Infotech which will help them to get a job or start their own venture.

**3.37** An amount of Rs. 45.45 lac has been spent during 2013-14 and 480 candidates have been imparted training. 1000 candidates are also being imparted training with Rs. 100.00 lac released to Punjab Infotech at the end of financial year 2013-14. An allocation of Rs. 220.00 lac has been earmarked to impart training to 2200 candidates in all the districts of the State during 2014-15 under this scheme.

## **VI. FISHERIES**

### **SCA(FH)-1 To encourage SC BPL families to adopt Pisciculture**

*Approved Outlay-Rs 50.00 Lac*

**3.38** This scheme was introduced for the first time under the Special Central Assistance programme during 2013-14 on trial basis. The objective of the scheme is to engage the BPL SC people with the commercial activities like Pisciculture .

**3.39** Under this scheme, the BPL SC families interested in Pisciculture will be covered. In the first phase, they will be provided basic training in Pisciculture. The beneficiary will be given technical guidance by the department as and when required

through out the year. The scheme will be implemented with the existing staff of the department.

**3.40** The scheme could not be implemented during 2013-14 due to non receipt of funds from Govt. of India. A budget provision of Rs. 50.00 lac has been made during 2014-15 under the scheme to assist 500 beneficiaries at the first instance.

**SCA(FH)-2 Providing fishing nets to SC fish farmers/fish sellers (New Scheme)**

*Approved Outlay-Rs 20.00 Lac*

**3.41** Under this scheme, fishing nets will be provided to the BPL SC fish farmers and fish sellers so that they may enhance their family income by selling fish in the market. Total cost of the fishing net is Rs. 18,700/- out of which Rs. 10,000/- will be given as subsidy while the remaining amount will be contributed by the beneficiary.

During 2014-15 an amount of Rs. 20.00 lac has been earmarked to provide subsidy to 200 fish farmers/sellers.

## CHAPTER – IV

### 20 POINT PROGRAMME

#### (SC Families Assisted)

The 20 Point Programme (TPP) was launched by the Government of India in the year 1975. The programme was first revised in 1982 and again in 1986. It was further restructured in 2006, keeping in view the challenges of the 21<sup>st</sup> Century with particular reference to the ongoing process of economic reforms, liberalization and globalization of the Indian Economy. The programmes /schemes under the TPP-2006 are in harmony with the priorities contained in the National Common Minimum Programme (NCMP). The thrust of TPP-2006 is towards programmes for eradicating poverty and improving the quality of life of the poor and the under-privileged people all over the country. The programme covers various socio economic aspects like poverty, employment, education, housing, health, agriculture, land reforms, irrigation, drinking water, protection and empowerment of weaker sections, consumer protection, environment, e-governance, etc. This programme is being monitored by the Ministry of Statistics and Programme Implementation, Government of India on the basis of performance report received from the State Governments/UTs and Central Nodal Ministries.

**4.2** The 20 Points further comprises 65 monitorable items which are synonymous with the programmes/schemes being administered by various Ministries/Departments of the Government of India and implemented by the State Governments and UTs. The monitoring mechanism became operational w.e.f. April. 2007. The point No. 10 of this programme relates to **‘Welfare of Scheduled Castes, Scheduled Tribes, Minorities and OBCs’**. This point consists of 10 items from item No. 33 to item No. 42. The item No. 33 relates to **“SC Families Assisted”** and is monitored on monthly basis. The Ministry of Social Justice and Empowerment, Government of India is the concerned Administrative/Nodal Ministry for this item.

**4.3** The Ministry of Statistics and Programme Implementation, Government of India in consultation with the nodal Ministry modified the scope of the item No. 33 from the year 2012-13. Under the modified scope, the targets for item No.33 relate to the following two sub-parameters:-

**Sub-parameter (i)**

SC students benefitted under the Post Matric Scholarship Scheme.

**Sub-parameter (ii)**

SC families assisted for income generating activities under:-

(a) Special Central Assistance (SCA) to Scheduled Castes Sub Plan (SCSP)

(b) Concessional loan scheme of National Scheduled Castes Finance and Development Corporation (NSFDC)

**4.4** In Punjab State, the Directorate of Scheduled Castes Sub Plan, Welfare Department is the nodal department for reporting monthly progress w.r.t. item No. 33-SC Families Assisted. For the year 2013-14, initially, the State Government had fixed physical targets of 1,84,580 SC families under the programme, but later on Government of India conveyed state-wise targets under the programme, under which the physical targets for item No.33 for the Punjab State were fixed as 1,27,774 SC families. The sub-parameter wise detail of these targets alongwith achievements during the year 2013-14 is given as below:-

<b>Sr. No.</b>	<b>Sub-Parameter</b>	<b>Targets (No. of SC families assisted)</b>	<b>Achievements (No. of SC families assisted)</b>
i	SC students benefitted under the Post Matric Scholarship Scheme	96,936	3,35,000
ii (a)	Special Central Assistance (SCA) to Scheduled Castes Sub Plan (SCSP)	30,838	7,383
ii (b)	Concessional loan scheme of National Scheduled Castes Finance and Development Corporation (NSFDC)		
<b>Total</b>		1,27,774	3,42,383

**4.5** The achievements under the sub-parameter (i) i.e. 345.59% are considerably more than the allotted targets due to the clearance of backlog of previous

years. The achievements under the sub-parameter (ii) i.e. 23.94% are less than the allotted targets because the Ministry of Social Justice & Empowerment, GoI didn't release the Special Central Assistance to the Punjab State during the year 2013-14. Also, the unutilized SCA available with the Finance Department, Punjab out of the SCA released by GoI during the previous years, was not fully released to the implementing departments/agencies by the Finance Department, Punjab. The State share against concessional loan scheme of NSFDC too was not released by the government during the year 2013-14.

**4.6** The sub-parameter wise detail of the targets fixed by the State for the item No. 33-SC Families assisted under the Point No. 10 of the 20-Point programme for the year 2014-15, is as given below:-

(2014-15)		
Sr. No.	Sub-Parameter	Physical Targets (No. of SC families assisted)
i	SC students benefitted under the Post Matric Scholarship Scheme	96,936
ii (a)	Special Central Assistance (SCA) to Scheduled Castes Sub Plan (SCSP)	32,590
ii (b)	Concessional loan scheme of National Scheduled Castes Finance and Development Corporation (NSFDC)	
<b>Total</b>		<b>1,29,526</b>

**4.7** The scheme-wise progress during the years 2012-13, 2013-14 alongwith targets for the year 2014-15 for item No.33 under the Point No. 10 of the 20-Point programme is given in the STATEMENT-XI.

## CHAPTER –V

### EMPOWERMENT OF SCHEDULED CASTE WOMEN/GIRLS

#### Status of women in Punjab

The condition of women varies from State to State across the country. Punjab State is acknowledged to be one of the States where women's status is not particularly low. The State is influenced by the preachings of Gurus and Saints, who had particularly stressed upon the equality of women and preached against the child marriages, female foeticide, sati pratha and illiteracy among the women. To empower the Schedule Caste girls/women in the State, various programmes are being implemented/initiated by the State Govt. to uplift their educational, social and economic status.

#### Educational Status

**5.2** At present, the State Govt. is implementing various schemes for the upliftment of educational status of women. Attendance scholarship to SC primary girl students is provided to encourage them to attend the schools regularly and to minimise the drop-out rate among them. Other schemes like Pre-matric scholarship, Post-matric scholarship, Grant to SC students studying in the medical/engineering colleges, Award to SC sports students, Hostel for SC boys/girls, New courses / Vocational training for SC students, Attendance scholarship to handicapped girl students in rural area, Mid Day Meal, Coaching for stenography, etc., are being implemented by the State Govt. Free books are also provided to SC girl students on the non plan side. With the result, literacy rate and drop out rate of SC girls have improved considerably. However, the drop out rate among SC girl as compared to SC boys is still higher upto 5<sup>th</sup> standard, whereas, the dropout rate of boys is higher than girls up to 10<sup>th</sup> standard. The detail is given below:-

#### Sex wise SC Population and Literacy Rate in the State

Population- Census 2011	Total	Male	Female
SC Population	88.60 lac	46.40 lac	42.20 lac
SC Literacy rate	64.81%	70.66%	58.39%

**Dropout rate of total (boys and girls) vis-a-vis SCs (boys and girls) in the State of Punjab –2010-11(as on 30-9-2010)**

Standard	Total			SCs		
	Total	Boys	Girls	Total	Boys	Girls
Upto 5 <sup>th</sup> class (Class I-V)	9.4	4.4	14.9	22.3	21.7	23.0
Upto 8 <sup>th</sup> class (Class I-VIII)	9.2	5.2	13.7	-	-	-
Upto 10 <sup>th</sup> class (Class I-X)	30.5	30.2	30.7	55.7	57.3	54.0

(Source:- Statistics of School Education, 2010-11 Ministry of HRD, GoI-2014 )

### **Economic Status**

5.3 The data regarding the economic status of SC women is not presently available in the State. However, the major chunk of SC women workers are engaged in agriculture as labourers and look after their livestock at their home and engaged as household workers. The State Govt. is implementing the programmes like training in typing/stenography, stitching, embroidery, fashion designing etc. for the economic development of SC women. Schemes like National Rural livelihood Mission, National Rural Employment Guarantee, etc., are also being implemented so that they can take-up self employment ventures independently. The priority is also given to the SC women under various beneficiary oriented economic development programmes such as ‘Bank tie up loaning’ programme and placing of funds at the disposal of DRDAs, etc being implemented with the assistance from the State Government and the Central Government.

### **Social Security**

5.4 In order to inculcate the sense of Social Security among the SC girls/women, the programmes like Mai Bhago Vidya Scheme, Empowerment of Women (Mahila Jagriti Yojna), Bebe Nanki Ladli Beti Kalyan Scheme, Shagun to SC girls/women/divorcee and daughters of widows, Financial assistance to widows and destitute women etc. are being implemented by the State Government.

5.5 During 12<sup>th</sup> Five Year Plan (2012-17), an outlay of Rs.4705.07 crore has been earmarked out of total SCSP size for the socio economic development of SC women/girls against which an expenditure of Rs. 371.58 crore and 392.89 crore has been incurred during 2012-13 and 2013-14, respectively. An outlay of Rs. 928.58 crore has

been earmarked for this purpose for the year 2014-15. The detail of various schemes for the Empowerment of SC women/girls proposed to be implemented in the year 2014-15 is at Statement XII.

## SCSP at a Glance

**Dear Shri Talwar**

With reference to para 8 of the Deputy Chairman's letter dated 6<sup>th</sup> September , 2005 addressed to your Chief Minister, I am directed to enclose herewith a note consolidating the guidelines already issued by the Government of India for the formulation , implementation and monitoring of Special Component Plan for Scheduled Castes and Tribal Sub-Plan for scheduled Tribes

I would request you to kindly ensure that the Special Component Plan and Tribal Sub Plan are drawn up accordingly in Annual Plan 2006-07.

With regards,

Yours sincerely

## **A note consolidating the existing Guidelines for formulation, implementation and monitoring of Special Component Plan for the Scheduled Castes and Tribal Sub Plan for Scheduled Tribes**

Detailed guidelines relating to the Special Component Plan for the Scheduled Castes and the Tribal Sub Plan for the Scheduled Tribes have been issued by the concerned departments of the Central Government from time to time

The basic objective of both these Sub Plans is to channelise the flow of outlays and benefits from the general sectors in the Plan of States for the development of Scheduled Castes and Scheduled Tribes at least in proportion to their population, both in physical and financial terms. The Mid term appraisal of the Tenth Plan has noted that several State Governments have not earmarked adequate funds to SCP and TSP, Proportionate to the share of SCs and STs in the population.

The importance of the SCP and TSP has been again underlined by the Hon'ble Prime Minister while addressing the 51<sup>st</sup> Meeting of the National Development Council held on 27<sup>th</sup> June, 2005. The Prime Minister had then stated "that in the mid -1970s, the Special Component Plan and the Tribal Sub Plan were initiated. Tribal Sub-Plans and Special Component Plans should be an integral part of Annual Plans as well as Five Year Plans, making provisions therein non-divertible, with the clear objective of bridging the gap in Socio-Economic Development of the SCs and STs within a period of 10 years".

In this context, the following guidelines with respect to SCP and TSP are once again reiterated so that the same may be followed strictly in the preparation of the Annual Plans for 2006-07.

**Objectives:-** The following should be the broad objectives of the SCP and TSP

Substantial reduction in poverty and un-employment

Creation of productive assets in favour of Scheduled Castes and Scheduled Tribes to sustain the growth likely to accrue through development efforts.

Human resources development of the Scheduled Castes and Scheduled Tribes by providing adequate educational and health services and

Provision of physical and financial security against all types of exploitation and oppression.

**Action Plan :-** To fulfil the above objectives the following points may be taken into account for formulating SCP and TSP.

1. Earmarking of funds for SCP/TSP from total State Plan outlay at least in the proportion of SC/ST population to the total population of the State/UT.

2. Special Component Plan and Tribal Sub Plan funds should be non-divertible and non – lapsable.
3. Making the Social Welfare Department /the Department concerned with the welfare and development of SCs/STs as nodal department for formulation and implementation of SCP/TSP.
4. Placing the funds earmarked for SCP/TSP at the disposal of the nodal department concerned which in turn will reallocate the funds to the sectoral departments for implementing schemes directly relevant to SC /ST development.
5. Placing the funds earmarked for SCP/TSP under separate budget head /sub head for each development department implementing SCP and TSP. In this connection it may be noted that the list of major and minor heads of account of Union and states as issued by the Controller General of Accounts provides that Tribal Sub Plan (code 796) and Special Component Plan (789) may be opened as Minor Head below the functional Major head/Sub Major Head wherever necessary.
6. Special Central Assistance (SCA) both for the SCP and for the TSP is being extended by the Centre to the states as a 100% grant meant to fill critical gaps and missing inputs for family oriented income generating schemes and supporting infrastructure development with a Special focus on BPL families. Guidelines issued in this connection should be strictly followed.

### **Components of SCP and TSP**

1. Only those schemes should be included under SCP/TSP that ensure direct benefits to individuals or families belonging to Scheduled castes or Scheduled Tribes
2. Outlay for area oriented schemes directly benefiting Scheduled castes hamlets /villages having a majority of Scheduled castes population/tribal hamlets and villages may be included in SCP and TSP
3. Priority should be given for providing basic minimum services like primary education, health , drinking water nutrition , rural housing rural electrification and rural link road.
4. Wage component, especially under rural employment schemes, should not be included under SCP/TSP.
5. Schemes to develop agriculture and allied activities like animal husbandry, dairy etc. that provide a source of livelihood to the SC and ST population should be included.
6. Innovative projects that draw upon institutional finance to supplement plan allocations may be drawn up.

### **Creation of general awareness of SCP/TSP schemes.**

State Government should take initiative to generate awareness among the general public about the schemes to be implemented /being implemented for the development of SCs and STs by the

different department of the State Government through electronic and print media.

### **Monitoring of SCP and TSP**

1. State and District/Block level Monitoring Committee should be constituted to monitor the implementation of various schemes under SCP and TSP of various development departments. The District/Block level committees may review the progress of implementation of schemes and utilisation of funds on monthly basis and the State level committees may review the progress on quarterly basis.
2. District and Block level committees may be constituted on the pattern of district and block level committee constituted by the Ministry of Rural Development by involving elected members (MPs, MLAs and Panchayat members, and other prominent leaders in the districts) or the same committees may be entrusted with the responsibilities for monitoring of these programmes
3. The nodal department should ensure timely release of funds to the concerned development departments who in turn should ensure immediate release of funds soon after the receipts of funds from nodal department to their field level implementing agencies. Any lapse on the part of field level implementing agencies in timely utilisation of funds and proper implementation of the schemes may be viewed seriously.
4. Non-earmarking of funds under SCP and TSP may result in non- approval of plans of the States /UTs.
5. Ministry of Social Justice and Empowerment and Tribal Affairs will be actively involved in the process of finalization of Annual Plans of the States/UTs.
6. Evaluation to assess the impact of economic development schemes implemented under SCP, on the socio economic conditions of SCs may be get conducted by the nodal department on regular basis Dissemination of information to SCs all over the State/UT about the schemes programmes available for their development may be the responsibility of the nodal department. The nodal department may also ensure the follow up of the schemes implemented and maintenance of proper records on assets created under SCP in district /block etc.

**OFFICE MEMORANDUM**

**Sub: Modification in SCSP/TSP Guidelines.**

\*\*\*

Please refer to Planning Commission's D.O.No.M-13011/3/2005-SCSP, Dated 31.10.2005 regarding Guidelines for formulation, implementation and monitoring of Scheduled Castes Sub Plan (SCSP) for Scheduled Castes and Tribal Sub Plan (TSP) for Scheduled Tribes.

2. In order to expand the coverage of villages for benefiting larger number of Scheduled Caste beneficiaries, Planning Commission has decided to modify the existing guidelines of SCSP. The caption under the components of SCSP/TSP quoted in para.2 of the existing guidelines is "Outlay for area-oriented schemes directly benefiting Scheduled Castes hamlets/villages having a **majority of Scheduled Castes population**/Tribal hamlets and villages shall be included in SCSP and TSP". The word "**majority of Scheduled Castes population**" is replaced with "**having more than 40% Scheduled Caste population**".

**GOVERNMENT OF INDIA  
PLANNING COMMISSION  
YOJANA BHAWAN  
NEW DELHI-110001**

**December 29, 2005**

**Dear Sir,**

Special Component Plan (SCP) for Scheduled Castes (SCs) and Tribal Sub Plan (TSP) for Scheduled Tribes(STs) have been important methods used in the planning process for quite some time in order to ensure that outlays and benefits from the general sectors of the plans flow to SCs and STs at least in proportion to their population both in physical and financial terms. Detailed guidelines have also been issued by the Planning Commission to the States(vide D.O No. M 13011/3/2005-SP-Co. dated 31.10.2005) by way of reiteration of the existing instructions, relating to the formulation and implementation of SCP/TSP at the State Level. In this connection, it may be noted that the list of major and minor heads of account of Union and States as issued by the Controller General of Accounts provides that TSP(Code 796) and SCP(Code 789) may be opened as minor head below the functional major head/sub major head wherever necessary. SCP and TSP funds have to be made as non-divertible and non-lapsable.

2. Planning Commission has set up a dedicated “Special Component Plan(SCP) and Tribal Sub Plan(TSP) Unit” for Monitoring the implementation of the recommendations of the Inter-Ministry Task Group Report on the Development of Scheduled Castes and Scheduled Tribes and to Review and monitor the SCP and TSP of States. I have taken over the charge of this Unit.

3. It is reiterated that only those schemes should be included under SCP/TSP that ensure direct benefits to individuals or families belonging to SCs & STs. The information regarding the flow of funds to SCP and TSP of your State(Budget, Allocation, Sanction and Expenditure) during 9<sup>th</sup> Plan and the first four years of Tenth Five Year Plan(2002-06) and the details of the schemes/programmes covered for the development and welfare of SCs & STs along with their physical and financial performance may be sent to Planning Commission. In this regard, additional guidelines for preparing important schemes/programmes and performance for monitoring physical and financial performance by the State Government are enclosed for ready reference.

4. It may also be ensured that the State allocates SCP and TSP funds in proportion to the SC and ST population in the State during Annual Plan 2006-07. It is also reiterated that Secretary, Social Welfare/Tribal Welfare should be the nodal Officer in the designing of schemes/programmes of SCP and TSP and allocation of funds to the implementing Departments/agencies. If it is not feasible, a dedicated Unit of SCP and TSP may be constituted in the Planning Department of the State with the Secretary, Social Welfare/Tribal Welfare as Nodal Officer for designing, implementing and monitoring of SCP and TSP schemes/programmes in the State.

With regards,

Yours sincerely,

**-Sd/-**  
**(Chandra Pal)**

**Encl: As above.**

**Shri Jai Singh Gill,**  
**Chief Secretary, Secretariat,**  
**Chandigarh, Punjab.**

**Additional Guidelines for preparing Schemes/Programmes under Special Component Plan and Tribal Sub Plan by the State Government.**

The State Government should prepare Special Component Plan(SCP) and Tribal Sub-Plan(TSP) as per the proportion of SC and ST population of the State. The guidelines issued recently by the Planning Commission to the State Governments for the SCP and TSP formulation, implementation and monitoring need to be strictly adhered and followed (D.O.No.M-13011/3/2005-SP-Co dated 31.10.2005).

The State Government should also prepare a detailed report on all the development indicators for the general population, SCs and STs especially focusing on agriculture, education(primary, middle, technical and higher), health, industry and service sectors. The gap of development indicators between the general population, SCs and STs has to be bridged within a period of 10 years.

State Level Monitoring Committee for SCP/TSP under the Chairmanship of Hon'ble Minister, Social Welfare/ Tribal Welfare should be constituted with Principal Secretary/ Secretary, Social Welfare/Tribal Welfare as the Member Secretary. A District level Monitoring Committee for SCP/TSP should also be constituted under the Chairmanship of District Collector with all the district level officers as its members. Block level Committee may also be constituted under the Chairmanship of President, Block Samiti where BDO and others will be its members. Monitoring of SCP/TSP schemes/programmes should be undertaken by these committees every month and quarterly performance review. Quarterly Performance Review report should be communicated to the SCP & TSP Unit, Planning Commission. A proforma for submitting financial and physical progress of the SCP/TSP schemes/programmes is enclosed for sending the relevant information to Planning Commission.

It is emphasized that, there is a need to implement schemes relating to the Welfare of SCs and STs under these two components. The details of some of the schemes suggested for implementation by the State Government are as under:-

1. The villages with 50% and above SC/ST population may be saturated first and provided with all the development activities under Bharat Nirman, schools, education, skill development, trainings for self employment, etc.
2. A group of 5-10 SC/ST farmers may be constituted for skill development by the State Agriculture Department/ Extension Agencies. This group may be provided a package of small tractors with accessories, tube wells in the electrified villages and pump sets in non-electrified villages may be provided with other agricultural inputs like quality seeds, pesticides, fertilizers etc. This farmers group may also be given training for cultivation of suitable crops and for undertaking activities in the sectors of fisheries, animal husbandry, horticulture, etc.
3. An educational complex in the name of educational institute may be set up in each district. The facilities relating to sports, multi-purpose hall, intermediate college with sports education may be provided in this institute on the pattern

of Navodaya Vidala and Kendriya Vidala. This educational institute will also have classes from 1 to 12 with hostel facilities for 70% SC/ST boys and girls and 30% boys and girls from general population. 70% expenditure of this institute will be provided from the SCP earmarked funds and 30% will come from the General Plan.

4. In every Divisional Headquarters, a polytechnic may be set up. Further, one or two training colleges for nursing and para-medical training courses, for nurses, ANMs, Physiotherapists, technicians, radiologists may be provided exclusively for SCs & STs. The nursing colleges exclusively for SC/ST girls may be attached to medical colleges provided. 70% expenditure of this institute will be provided from the SCP earmarked funds and 30% will come from the General Plan. The expenditure for running these courses will be made out of Special Component Plan outlay earmarked in the State.
5. In each district, coaching-cum-guidance centres may be opened in Universities/Colleges appearing for various competitions. The expenditure of these coaching-cum-guidance centres may be borne out of SCP/TSP funds.
6. Good quality it is may be established in each District for imparting employable skill exclusively for the unemployed SC/ST youth for providing employment opportunities within and outside the State. To tackle the problem of unemployment, training courses (not routine training courses) should be started in a big way in the State. These capsule training courses may consist of 4-5 months theoretical training on personnel management, material management, financial management, marketing management and 6-7 months practical training. Such trained personnel should be provided loans at cheaper interest rates from the Banks/SC/ST Development Corporation to start production ventures in clusters, in those areas where infrastructural facilities already exist. There should be a commercial complex in the main market of District Head Quarter and shops/ outlets to be allotted to these trained SC/ST entrepreneurs to sell their produce/manufactured goods.
7. The candidates preparing for various competitive exams like admission in engineering colleges and medical colleges and other services may be allowed to take admission in any reputed private training center and their full fees should be reimbursed by the Government from SCP/TSP funds.
8. Government may also think of providing one time financial support of say Rs.25 to Rs.40 lakhs to the recognized social institutions for starting intermediate/degree colleges in each Block exclusively for SC/ST boys and girls or admitting 70% SC/ST boys and girls and 30% boys and girls from general population as is being done in U.P.
9. It was suggested that residential schools for SC/ST boys and girls should be set up in all the districts where percentage of the SC and ST concentration is high. The residential schools should have the facilities of vocational training, coaching-cum-guidance center, sports center and cultural center. Under

vocational training, training related to trades like electrician, electronics, fitter, draftsman, mechanic, plumber, fashion design, computer, data entry operator etc., need to be given by starting IITs in SC/ST dominated areas. Technical education should be given due importance so as to provide self-employment to SCs and STs.

10. The tuition fee of the SC and ST students studying in private colleges and institutions should be fully reimbursed by the Social Welfare/Tribal Welfare department under SCP and TSP funds.
11. The State Government should provide scholarships to SC and ST students for all income groups studying in classes I to X as in U.P. The rate of stipend may be worked out realistically by the State.
12. Road and connectivity is another important sector which affects the transport and communication of the villagers. All the villages having more than 50-60% of SCs and STs concentration need to be saturated first with road connectivity. The programmes under Bharat Nirman may be targeted especially to SC/ST village development.
13. In those villages where no land is available especially in SC and ST dominated areas, land should be purchased and allotted to homeless for construction of houses under Indira Awas Yojana.
14. The forest villages in the State need to be converted into revenue villages where basic minimum services have to be provided like education, housing, drinking water, health facilities, road connectivity, etc.
15. Conversion of dry toilets to wet toilets may also be taken out of these funds in a big way so that scavenging colonies should be developed with rehabilitation programme.
16. There is always food scarcity in SC and ST dominated areas and the State Government is suggested to select Self-Help Groups of 5-10 SCs and STs and they may be allotted ration shops for distribution of essential commodities. Subsidy/loan could also be provided to them on recoverable terms up to Rs.5 lakhs.
17. Training may also be imparted in the existing Police Training Centres or Home Guards training centres to SC and ST youth (18-21 years) who have passed Matriculation for Constables and Home Guards. While the Home Guards will look after the security of the villages as Village Defence Committee, the later may be recruited as Constables in the State Government. Similarly, training may also be given to at least 5000 SCs/STs for Conductor and Driver jobs through State Transport Corporation.
18. The State Government was suggested to provide Rs. 25000/- towards Kanya Dhan for SC/ST girls who passed out Intermediate Examination.
19. In urban slum areas a multi-purpose community shall need to be provided to cater to the needs of the SC families.

**GOVERNMENT OF PUNJAB**  
**DEPARTMENT OF WELFARE OF SCHEDULED CASTES AND BACKWARD**  
**CLASSES**

To

All the Heads of the Department/  
All the Divisional Commissioners/Deputy Commissioners /  
ADC (Development)-Cum- Nodal Officers Special Component Plan  
in the State of Punjab.

No. 3/2/2003-SA II/474  
Dated , Chandigarh the 11<sup>th</sup> March, 2003

**Subject :- Implementation of “Maharashtra Model” for Special Component Plan (SCP) in the State of Punjab.**

\*\*\*\*\*

With a view to checking the diversion of Special Component Plan funds meant for the Welfare of Scheduled Castes population in the State to the general sectors, the State Government after due consideration has decided to adopt the “ Maharashtra Model” for the implementation of the schemes framed under the Special Component Plan by various Departments with the following stipulations:-

- 1 The “ Maharashtra Model” for Special Component Plan in the State of Punjab would be implemented w.e.f. the financial year 2003-2004. The quantification of Special Component Plan funds would be made proportionate to the percentage of the scheduled castes population of the State out of the State Plan allocation.
- 2 The allocation under the Special Component Plan would be provided in lumpsum under the single budget demand head of the Department of Welfare of SCs and BCs in proportionate to the percentage of SC population in the State, at the time of the finalization of the State Plan by the Department of Planning and in the budget by the Finance Department.
- 3 A committee consisting of Principal Secretary, Welfare of Scheduled Castes and Backward Classes, Principal Secretary, Planning and Principal Secretary, Finance or their representative would allocate/decide the allocations/diversions of funds from the pooled funds of the Special Component Plan and monitor the implementation of the Special Component Plan schemes.
- 4 The Welfare Department will enhance/ reduce the allocations of beneficiary oriented schemes as per requirement of the particular scheme within the pooled funds of the Special Component Plan. However, the funds shall not be diverted

from the beneficiary oriented schemes to the infrastructure oriented schemes without the approval of Planning and Finance.

- 5 The Department of Welfare will approach on a monthly basis to the Finance Department for release of funds keeping in view the schemes approved so that any curtailment of Plan during the financial year by Finance Department can be easily implemented.

In view of the above, all the Department are requested to frame Special Component Plan Schemes after undertaking detailed exercise with a view to making them effective for the upliftment of Scheduled Castes population in the State and send the same to the Directorate of Special Component Plan, Welfare Department , Punjab.

Sd/-  
Under Secretary Welfare

Sd/-  
Under Secretary Welfare

**GOVERNMENT OF PUNJAB  
DEPARTMENT OF WELFARE  
(DIRECTORATE OF SCHEDULED CASTES SUB PLAN)**

**Notification**

**the 10<sup>th</sup> February, 2014**

**No. RO(SCSP)-76/2014/ 712** The Governor of Punjab is pleased to issue the following guidelines regarding implementation of Scheduled Castes Sub Plan(SCSP) in the State :-

- (i) The SCSP size will be made proportionate to the percentage of SC population of the State out of the total Annual Plan allocation including the non-budgeted allocation on the pattern of the State Annual Plan.
- (ii) The SCSP funds will not be divertible but will be lapsable on the pattern of the State Annual Plan funds. The funds booked under SCSP can only be diverted by a committee under the Chairmanship of Secretary Welfare with one representative each from the finance and the planning departments. However, no diversion of SCSP funds will be made to the general sector.
- (iii) The department of welfare will be the nodal department for formulation and monitoring of the implementation of SCSP. In case of schemes exclusively meant for SCs, the implementing departments will formulate the schemes in consultation with the welfare department. However, in case of general plan schemes, the implementing departments will consult the welfare department only regarding the SCSP components of those schemes.
- (iv) The concerned implementing departments will be fully responsible for proper implementation of SCSP schemes/ components, audit and reconciliation of accounts for these schemes/components from the Accountant General (Audit), Punjab and replies to the Punjab Vidhan Sabha/Public Accounts Committee and any other function which is required to be performed as a head of the department for implementation of plan schemes including the SCSP schemes/ components.
- (v) The allocation under SCSP schemes/components included in the SCSP budgeted allocation will continue to be booked in the Minor Head-789-“SCP for SCs” below the major/sub-major head under the respective demand of the concerned implementing departments.
  - a) In case of non beneficiary oriented schemes, a portion equal to SC population (~32%) will be booked under SCSP.

- b) In case of irrigation and agriculture departments, where SC beneficiaries are substantially less, only half of the portion equal to SC population (~16%) will be booked under SCSP.
- c) The beneficiary oriented schemes will be further put under two categories. One, where the percentage of SCSP is less than portion equal to SC population (<32%) and the other, where the percentage will be equal or more than the portion equal to SC population ( $\geq 32\%$ ).
- d) As per the guidelines of the Planning Commission, the expenditure incurred on the infrastructure created in the villages having 40% or more SC population, can be fully booked under SCSP expenditure. Therefore, under such schemes, 40% allocation will be booked under SCSP.
- e) The percentages under SCSP schemes/components will be worked out by the welfare department in consultation with the departments based on historical data and future trend within the overall SCSP component determined on the basis of resources finalised by the Planning Commission, GOI/ Finance Department, Punjab.
- (vi) The concerned administrative departments will seek the concurrence of the welfare department in accordance with the instructions issued for the clearance of plan schemes by the planning department from time to time regarding the beneficiary oriented SCSP schemes/components, wherein, the direct benefit accrues to the individual or the families belonging to the Scheduled Castes. The identification of beneficiaries oriented schemes/components will be done by the welfare department in consultation with the implementing departments. However, the approval of both the general and Special Component Plan (now SCSP) will be accorded by the Punjab State Planning Board through the usual process being followed for the approval of Five Year/Annual Plans.
- (vii) The department of welfare will prepare as many schemes as possible directly benefitting the SC population. The planning department will endeavour to include as many schemes as possible in the Annual Plan with the requisite allocation.
- (viii) The department of welfare will enhance/reduce the scheme-wise/component-wise SCSP allocation in consultation with the departments within the revised plan size indicated by the finance department, Punjab at the time of finalisation of revised estimates/supplementary for the Plan Budget.
- (ix) The inclusion/deletion of SCSP schemes/components will be done by the welfare department in consultation with the departments within the revised plan size indicated by the finance department, Punjab at the time of finalisation of revised estimates/supplementary for the Plan Budget.
- (x) The prior approval, if required, for any issue relating to formulation of SCSP which is within the purview of the finance department as per Allocation of Business Rules will be obtained.
- (xi) The department of welfare, being the nodal department, in case faces any problem in formulation and monitoring the implementation of SCSP, will take necessary action in consultation with the department of planning and the department of finance

2. This supersedes the instructions issued vide No. 3/2/2003-SA-II/474, dated 11-3-2003 regarding implementation of Special Component Plan (Now SCSP) in the State on the basis of 'Maharashtra Model'

**GUIDELINES ON UTILISATION OF SPECIAL CENTRAL ASSISTANCE TO SCHEDULED CASTES SUB PLAN**

A.K CHOUDHARY  
JOINT SECRETARY  
TEL NO. 23381643  
SHASTRI BHAWAN, NEW DELHI  
D.O. 11014/21/97-SCD-II

GOVERNMENT OF INDIA  
MINISTRY OF SOCIAL JUSTICE  
AND EMPOWERMENT

DATED 6<sup>TH</sup> OCTOBER 1998.

**Subject: Special Central Assistance (SCA) to Special Component Plan (SCP) for Scheduled Castes (SCs)- Modifications in the criteria for release of SCA to States/UTs, utilization etc.**

...

As you are aware, Special Central Assistance is provided to State Governments/UT Administrations as an additive to their Special Component Plan for Scheduled Castes. Its main objective is to give a thrust to the development programmes for Scheduled Castes with reference to their occupational pattern and the need for increasing the productivity of and income from their limited resources. It will help in bringing about occupational diversification in the labour surplus economy. SCA is expected to give thrust to family oriented schemes of economic development of SCs below the poverty line, by providing resources for filling the critical gaps and for providing missing vital inputs so that the schemes can be more meaningful. Since the schemes/programmes for SCs may be depending upon the local occupational pattern and the economic activities available, the States/UTs have been given full flexibility in utilizing SCA with the only condition that it should be utilized in conjunction with SCP and other resources available from other sources like various Corporations, financial institution etc.

2. An illustrative list of areas under various sectors of development where SCA could be utilized has already been circulated vide this Ministry's d.o. letter No.19020/35/93-SCD-VI dated 29<sup>th</sup> July, 1993 (copy enclosed as Annexure I). The condition of blocks having 50% or more of SC population for use of SCA for infrastructural development programmes has been relaxed and villages having 50% or more of SC population can now be considered for infrastructural development programmes with the support of SCA funds. Only 10% of the total SCA released to the State Government/UT Administration in a year should be utilized for infrastructural development programmes. Copy of the d.o. letter No.19020/35/93-SCD-VI dated 7th September, 1998 issued in this connection is enclosed as Annexure-II.

3. The continuation of the Scheme of Special Central Assistance to Special Component Plan for SCs during the IX Five Year Plan has been approved by the Cabinet Committee on Economic Affairs with the following modifications and conditions: -

- (i) The SCA will be released to the state Governments/UT Administrations on the basis of following criteria:-

- |     |   |     |
|-----|---|-----|
| (a) | On the basis of SC population of the States/UTs.  | 40% |
| (b) | On the basis of relative backwardness of the States/UTs<br>(inverse of State Per Capita Domestic Product)   | 10% |
| (c) | On the basis of the percentage of SC families in the States/UTs covered by composite economic development Programmes in the Plans to enable them to cross the Poverty line. | 25% |
| (d) | On the basis of the Special Component Plan to the Annual Plan as compared to the SC population percentage in the States/UTs   | 25% |
- (ii) 2% of the total budget allocation for the scheme will be earmarked for North Eastern States, which implement SCP for SCs.
- (iii) 15% of the total SCA released to the States/UTs, On the basis of the Criteria a (i) above will be utilized by State Governments/UTs Administrations exclusively on viable income generating economic development schemes/Programmes for SC Women.
- (iv) 5% of the total SCA released to the States / UTs will be utilized by them exclusively for the economic development of disabled persons among SCs
- (v) 3% of the total SCA released to the States /UTs shall be utilized by the States/UTs for supervision, monitoring and evaluation of economic development schemes implemented with the support of SCA funds.
- (vi) Second installment of SCA should be released to the States/UTs after ensuring expenditure of cumulative opening balances of the previous year and 75% of the first installment for the current year.

4. The limit of SCA permitted for staff meant for supervision implementation, monitoring and evaluation of Schemes at various levels has been increased from 1% to 3% taking into account the requirement of staff and infrastructure for the purpose at all levels of implementation. Proper and timely utilization of SCA funds on viable schemes for the economic development of SC families below the poverty line needs greater attention. The State Governments/UT Administrations should strengthen their monitoring mechanism at State and district levels. There should be regular feed back through monthly progress report on implementation and utilization of funds from the implementing agencies to the District Level Monitoring Committee and from District Level Committee to the State Level Monitoring Committee on quarterly basis. The Secretary of the Department concerned with the SC welfare and development should send the quarterly progress report on utilization of SCA within 15 days after the end of each quarter and the annual progress report on the utilization of funds within 3 months of the end of each financial year to the Government of India, Ministry of Social Justice and Empowerment. Based on the progress reports received from the State Governments/UT Administrations, the Ministry will send consolidated State-wise report on the subject especially on utilization of funds under SCA to SCP indicating diversion of funds, if any to the Planning Commission.

5. Late release of funds to the Implementing departments/agencies, non-utilization of funds sanctioned/released to the implementing departments/agencies for the purpose for which it is sanctioned, accumulation of unspent balances of funds for considerable long period with the implementing departments/agencies, keeping funds in Civil Deposits, Fixed deposits, saving bank accounts, P.L.A. etc. for considerable long period, lack of proper action plan for implementation of schemes, sanction of funds for schemes without ascertaining their feasibility

and viability, leakage of benefit of schemes meant for SCs to Non-SCs, etc. decelerate the process of economic development of the target group. An effective device needs to be evolved to remove such shortcomings/loopholes so that the purpose of SCA could be served meaningfully. Amongst various measures for effective implementation of development schemes for SCs, the following points may be given more stress: -

- i) Release of funds to the implementing agencies without loss of time after getting the SCA from the Government of India.
- ii) Separate Account of SCA released to the implementing agencies may be maintained and utilization of SCA funds by the implementing agencies may be watched regularly through periodical progress reports from the implementing agencies.
- iii) It may be ensured that Utilization Certificates from the concerned implementing agencies are obtained in time.
- iv) Annual Audit of SCA accounts of State and District/Block Level Implementing Agencies may be ensured.
- v) Keeping SCA funds in civil deposits, fixed deposits, saving bank account, PLA etc. for long periods by implementing agencies or nodal department may be discouraged. Delay in identifying schemes & beneficiaries and sanction of schemes and release of assistance to the beneficiaries often lead to deposit the funds in various accounts.
- vi) Release of funds to the implementing agencies without ascertaining the utilization of funds released to them earlier leads to accumulation of unspent balances and increase in the deposit in various accounts. Identification of viable schemes as per the developmental needs of SCs and identification of eligible beneficiaries to be considered for assistance in a financial year should be completed well before the commencement of the financial year. Sanction of schemes and release of assistance can thus be ensured in time soon after the receipt of SCA funds. This will help in avoiding last minute sanction of schemes at the fag end of the financial year and in ensuring the full utilization of funds.

6. The Government of India, Ministry of Social Justice and Empowerment will intimate the tentative allocation of SCA to State Governments/UT Administration at the beginning of the financial year and will release the first installment of SCA on the basis of SC Population and relative backwardness of States/UTs during the first quarter of the financial year. The State Governments/UT Administrations should furnish the information on effort-based criteria {the criteria at (c) and (d) mentioned in Para 3 (i)} and the utilization of SCA released to them during the previous year and first installment released during the current year, in the month of August every year. This will ensure the release of second installment in the beginning of the second half of the financial year.

7. Utilization of 15% and 5% of total SCA released to the State Governments/UT Administrations exclusively for the economic development schemes/programmes for SC women and disabled persons among SCs respectively may be ensured from this year (1998-99) onwards. The progress on utilization of SCA for SC Women and disabled among SCs indicating the schemes implemented, funds utilized and the number of beneficiaries covered, may be furnished to this Ministry within a month after the end of this financial year. From next year onwards the progress report in this regard may be furnished to this Ministry within one month after the end of each six months period.

8. The skill developing training programmes to be implemented with the support of SCA funds should be formulated in such a way that after the completion of training, the placement of trained candidates either in waged employment or in self-employment is ensured.

9. Follow up of the beneficiaries after the schemes are sanctioned to them is necessary to ascertain whether they have acquired necessary assets and utilizing the assets for income generating activities. Proper maintenance of records regarding the accounts of funds received, given to the beneficiaries including subsidy and bank loan, full address of the beneficiaries, assets created under various schemes sanctioned to the beneficiaries, etc. by the implementation departments/agencies should be ensured.

10. I shall be grateful, if the various measures for ensuring full utilization of SCA funds and effective implementation of schemes for the benefit of the target group are given adequate attention and made into practice.

Yours sincerely,

Sd/-

D.O. NO.19020/35/93-SCD-VI

DATED: 29.7.93

Dear Shri

The scheme of Special Central Assistance (SCA) to Special Component Plan (SCP) for the Scheduled Castes is linked with the Government of India's strategy for the development of Scheduled Castes. The main objective of the scheme is to give a thrust to the economic development programmes for the Scheduled Castes with reference to their occupational pattern and secondly, to increase the productivity of and income from their limited resources. A series of instructions have been issued regarding the purposes for which Special Central Assistance could be utilized for the development of the Scheduled Castes.

2. On examination of information received from the State Governments/Union Territory Administrations, it has been found that a large chunk of the Special Central Assistance has been spent without effective linkage with the viability of the scheme. Some States had also kept the funds unspent for long intervals.

3. Despite considerable efforts made to extend the benefits of educational and other developmental programmes to ensure the upper mobility of Scheduled Castes, it is found that there is much to be desired. The major problem being faced in the area of Scheduled Castes development continued to be economic, educational and social. The need for special attention for groups like landless agricultural labourers marginal farmers, artisans, civic sanitation workers, flayers, tanners and leather workers and other unorganized labour continues to be crucial.

4. Considering all these, in amplification of earlier guidelines, it has been decided that the scope of the existing Special Central Assistance should include infrastructure development programmes in blocks having 50% or more of Scheduled Castes population subject to the condition that the SCA allocation should be made use of in such a way as to encourage larger efforts on development of Scheduled Castes on the part of States/Union Territories.

5. Accordingly, an illustrative list of items under various developmental sectors is enclosed herewith for which Special Central Assistance to Special Component Plan could be utilized on specific viable schemes covering Scheduled Castes population individually and/or in clusters, immediate steps for utilization of the SCA to SCP may be taken according to these revised guidelines.

6. I shall be grateful if you issue necessary directions to all concerned in this regard under intimation to the Ministry of Welfare and Planning Commission.

With regards,

Yours Sincerely,

(GANGA DAS)

Chief Secretaries of all  
States/Union Territories.

D.O. NO.19020/35/95-SCD-VI

**DATED: 27.10.93**

Dear Shri

Please refer to my D.O. letter of even number dated 29<sup>th</sup> July, 1993, regarding Special Central Assistance (SCA) to Special Component Plan (SCP) and amplified guidelines thereon with an illustrative list of items under various developmental sectors where SCA could be utilized in blocks having 50 per cent or more of Scheduled Caste population.

2. In this connection, it is clarified that the “ amplified guidelines do not alter the principle of SCA being an additive to SCP and its utilization in conjunction with SCP for filling the critical gaps and for providing missing inputs on viable schemes for the economic development of Schedules Caste families. **SCA should not be used to substitute the obligations for State Governments under their Plan and non-plan allocations for Scheduled Castes. Use of SCA with the SCP for establishing and running residential schools should strictly be in areas having low literacy, particularly in those areas where literacy level amongst SC female is below two percent.** Similarly utilization of SCA with SCP for the items mentioned under Minimum Needs Programmes should be in those areas where such facilities are not available for Scheduled Castes.”

With regards,

Yours sincerely,

D.O. No.19020/35/93-SCD-VI/II

MINISTRY OF SOCIAL JUSTICE  
AND EMPOWERMENT  
GOVERNMENT OF INDIA  
SHASTRI BHAVAN, NEW DELHI  
DATED 7<sup>th</sup> SEPTEMBER 1998.

Dear

Kindly refer to this Ministry's d.o. letter of even number dated 29.7.1993 regarding amplification of guidelines on Special Central Assistance to Special Component Plan for Scheduled Castes, extending the scope of its utilization also for infrastructure development programmes in the blocks having 50 per cent or more of SC population .

2. On the basis of requests from various State Governments for exemption of blocks having 50 percent or more of SC population for utilization of SCA for infrastructural development programmes, the matter was re-examined and it is found that the benefit of infrastructure development out of SCA funds is possible only for SCs in a few blocks in the country spread over in four States. Since most of the villages in the country with high concentration of SC population are lacking basic infrastructure for providing drinking water facilities, health care facilities, link roads, educational facilities, etc. to SC population, it has been decided to relax the condition of blocks having 50 per cent or more of SC population for use of SCA for infrastructural development programmes. SCA may now be utilized for infrastructural development programmes in villages with 50% or more of SC population, where infrastructural facilities for overall development of SCs are lacking.

3. Since the main objective of SCA is the economic development of SC population in order to bring them above the poverty line, only 10% of the total SCA released to the State/UT in a year should be utilized for infrastructural development programmes in the villages having 50 per cent or more of SC population.

4. As you are aware, SCA is an additive to the SCP of State/UT and its utilisation should primarily be on income generating schemes/programmes of economic development of SCs in conjunction with SCP as well as resources available from other sources like various corporations, financial institutions etc. The basic principle of utilization of SCA in conjunction with SCP for filling the critical gaps and for providing missing inputs on viable schemes may strictly be followed while utilizing SCA for economic development schemes as well as infrastructure development programmes. SCA should not be used to substitute the obligations of State Government/UT Administrations under their plan and non-plan allocations for SCs.

5. The details of villages where SCA funds are utilized for the purpose of infrastructural development and the physical achievement thereon may also be included in the quarterly and annual progress reports on utilization of SCA to be furnished to this Ministry by the State Government/UT Administrations.

With regards,

Yours sincerely,

D.O No.11014/5/98-SCD-II

S K PANDA

Tel: 3387924(O)

FAX: 3384918 New Delhi-110001

Ministry of Social Justice and Empowerment .

Government of India, Shastri Bhavan

New Delhi-110001

Dated 9.10.2000

Dear

As you are aware, guidelines on provision of Special Central Assistance (SCA) to Special Component Plan (SCP) of the State Governments/UT Administrations was last revised and circulated vide d.o. No.11014/21/97-SCD-II dated 6.10.98. As this assistance is provided as an additive to the SCP for welfare of Scheduled Castes, the amended guidelines provided that the State Governments/UT Administrations will have full flexibility in utilizing the SCA, subject to the condition that it should be utilized in conjunction with the SCP and other resources available from other sources like various corporations, financial institutions etc. The SCA is to be utilized mainly for assisting SC families, living below the poverty line bridging the critical gaps and providing missing inputs of vital nature for making the schemes more meaningful. Utilization of upto 10% of the SCA for development of required infrastructure is provided under the guidelines.

2. With a view to implement the schemes in a more focused manner, the State Government/UT Administration have been requested to submit project report for utilization of admissible SCA during 2000-01 indicating the economic activities proposed to be financed, provision of required forward and backward linkages, flow of institutional finance and other details. This Ministry's D.O. letter number 11014/30/99-SCD-II (Pt) dated 25.5.2000 may please be referred to in this regard. We have not received detailed project reports from your State so far. The first installment of SCA has been released to your State based on population and relative backwardness. You are requested to give your personal attention and arrange for sending project reports and utilization certificate in respect of the amount sanctioned so far at the earliest. It may please be noted that release of 2nd instalment of SCA would be considered only on getting the project reports and utilization certificate.

3. Subsequent to issue of the guidelines indicated above, certain clarification on utilization of the SCA by the State Government/UT Administration have been sought. The position in respect of the points raised is hereby clarified as follows:

(i) In this Ministry's letter No.16011/1/94-SCD-IV dated 23<sup>rd</sup> August, 1994, it was clarified that SC beneficiaries, living below the poverty line may be provided assistance under SCA in manner similar to those admissible under the Integrated Rural Development Programme (IRDP). The Ministry of Rural Development has launched the Swarnajayanti Gram Swarozgar Yojana (SGSY) in April, 1999, in place of IRDP, as a holistic programme covering all aspects of self employment, such as organization of poor into self help groups, and provision of training, credit, technology, infrastructure and marketing etc. to such groups, for enabling the poor

families to cross the poverty line. The SGSY adopt a project approach for each key activity. The poor families are to be assisted for taking up viable income generating activities, through a mix of institutional finance and subsidy. Guidelines of SGSY provides that credit will be the critical component and subsidy will be the only a minor and enabling element. In view of the above, relevant provisions of SGSY, may be adopted as a totality, while utilizing SCA. Amount of subsidy admissible under SGSY i.e. subject to a maximum of Rs.10, 000 per beneficiary may accordingly.be adopted in case of Special Central Assistance. The number of SC families assisted under the Scheme and the number crossing the poverty line may be monitored and reported to the Ministry on quarterly basis.

(ii) As regards selection of SC families living below poverty line and definition of poverty line, the guidelines issued by the Planning Commission and the procedure laid down by the Ministry of Rural Development for selecting the beneficiaries through the Panchayati Raj Institutions may be adopted.

(iii) Special Central Assistance should be utilized only for the purpose specified under the guidelines and should not be diverted for any other purpose.

4. We are separately communicating dates for discussing the SCP of your State for the year 2000-01 as well as the project report for utilization of SCA, some time in Oct-Nov 2000. As the matter relates to welfare of Scheduled Castes, I shall be grateful to you for giving your personal attention on the matter and arrange to send the project report and SCP document at the earliest.

Yours sincerely,  
Sd/-  
(S.K. PANDA)

Secretary  
Social Welfare Deptt.  
Govt. of (24 States)  
(As per list attached)

**No.11014/8/2003-SCD-II**

**Government of India  
Ministry of Social Justice & Empowerment**

Shastri Bhavan, New Delhi  
Dated 29.3.2007

To,  
(27 States/UTs)

**Subject: - Guidelines for utilization of Special Central Assistance (SCA) to the Scheduled Castes Sub Plan (SCSP).**

The fundamental objectives and the basic operative principles of the approved Special Central Assistance scheme are (a) economic development of the SC target groups by way of employment or self employment either in primary or secondary or tertiary sectors, (b) Special emphasis on training and skill development with forward linkages for employment and occupational diversification.

2. It has been the endeavor of this Ministry to serve the larger cause of the target groups by guiding the State Governments in directing their efforts and initiatives from time to time. As a further initiative, the Ministry has decided to draw a new road map for the empowerment of the SC target groups in tune with the opportunities offered by the modern era of globalization and liberalization. In this exercise the most important component is quality and excellence, both in professional education and training which have a direct linkage with high -end employment.

3. The need of the hour is to promote sunrise sectors through the Special Central Assistance mechanism without leaving any scope or possibility for dilution of the qualitative excellence of the new programmes. While doing so the emphasis would rest on choosing the best out of the available market by diligent observance of norms of propriety and transparency. It is thus felt necessary to include capacity building programmes matching the new sunrise high-end sectors within the existing format of the scheme of Special Central Assistance. An illustrative list of such sectors is Commercial Pilot Course, Aviation and Hospitality Course, course in Fashion Technology, General Nursing Course and Hotel Management Course. These are all income generating activities and fit into the scheme of Special Central Assistance.

4. The recent public private partnership initiative taken by the Government of Karnataka in such high-end sunrise sectors have come to the notice of this Ministry. They have started various training courses after a competitive exercise and deliberate effort to have minimal possible costs. This Ministry would like similar or better initiatives by other States also.

5. The focus of Special Central Assistance is to bring in economic development through occupational diversification and professionalization in a changing market situation. The development approach of the Governments therefore needs to change with the changing course

of Indian economy. The States need to identify the activities according to their felt needs and support them through Special Central Assistance if they fit into the broad mandate of the scheme.

6. With these amplifications, the State Governments/UT Administrations are requested to open up more avenues for the SC youth to prove their potential and excellence in high-end income generating activities.

7. These guidelines will come into effect/introduced from 2007-08

8. This issues with the approval of competent authority.

Yours sincerely,  
Sd/-  
(Arbind Prasad)  
Joint Secretary to  
Government of India

**No.11014/8/2003-SCD-II**

**Government of India  
Ministry of Social Justice & Empowerment**

To

The Secretaries in charge of SC Welfare,  
All States/UTs. Shastri Bhavan, New Delhi

Dated 24.8.07

**Subject: Guidelines for utilization of Special Central Assistance to  
Scheduled Caste Sub Plan.**

Sir,

The scheme of Special Central Assistance to Scheduled Caste Sub Plan was started in 1980 to give a thrust to the development programmes for the Scheduled Castes (SCs), with particular reference to their occupational pattern and to the need for increasing the productivity of and income from their limited resources.

2. In view of the varying needs and availability of opportunities in different States of the country and even with different regions of the same State, State Govts have been given flexibility in choice of scheme to be implemented out of SCA. However, this Ministry has been issuing enabling guidelines from time to time to focus directions of the State Govts towards newer avenues and to address some of the chronic disabilities suffered by SCs, especially with respect to lack of access to essential services.

3. Atrocities on SCs is an area of concern. Lack of basic infrastructural facilities is one of the important factors responsible for incidents of atrocities in the remote and inaccessible villages/habitations of Scheduled Castes. Further, awareness among SCs about the legal provisions to check the atrocities is limited by the lack of education.

4. In order to address the concerns stated above, special steps are required to be taken. As a first step all the State Govts. should identify atrocity prone areas. For development of these areas, State Govt are requested to undertake following activities out of the SCA released by the Ministry:

Guidelines for utilizing upto 10% of SCA released in a year on infrastructure development in SC dominated Blocks/villages were issued vide this Ministry's letters dated 29.7.93 and 7.9.98. Priority should be given to identify atrocity prone areas in implementation of infrastructure development schemes.

Setting up of primary schools for Scheduled Castes; and

Coverage of beneficiaries from these identified Districts on priority basis under the income-generating beneficiary oriented schemes.

**Annexure – X(V)**

**No.11014/22/2012-SCD-II**  
**Government of India,**  
**Department of Social Justice & Empowerment**

Shastri Bhavan, New Delhi - 110 15  
Dated 2<sup>nd</sup> May, 2013

To

Th Principal Secretary/Secretary,  
Department of Social Welfare/Scheduled Castes Development,  
27 State Govt./UT Administration

Subject:- **Guidelines for utilisation of funds in Skill Development Programmes under the Central Sector Scheme of Special Central Assistance(SCA) to Scheduled Caste Sub Plan(SCSP).**

Sir,

Government of India in the Ministry of Social Justice and Empowerment is implementing a "**Central Sector Scheme of Special Central Assistance(SCA) to Scheduled Castes Sub Plan(SCSP)**" since 1980 for the development of Scheduled Castes who form the major chunk of the country's population living below the poverty line. The main objective of this scheme is to give a thrust to family oriented schemes of economic development of Scheduled Castes living below the poverty line. The important provisions of the scheme, inter alia, include the following: Utilisation of 15% and 5% of total SCA released in a year to be used for the economic development of SC women and disabled persons among SCs respectively; Upto 10% of the total SCA released in a year can be utilized for infrastructure development programmes in villages having more than 50% SC population; Upto 3% of SCA released in a year can be utilised for monitoring and evaluation of the scheme.

2. This Ministry, vide letter No.11014/8/2003-SCD-II, dated 29.03.2007(copy enclosed), had also issued guidelines for utilisation of funds for economic development of the SC target group by laying emphasis on training and skill development, as well as working out forward linkages for employment and occupational diversification in the primary, secondary and tertiary sectors. However, so far, there was no earmarking of funds under the Scheme, specifically for skill development programmes.

3. The State Governments/UT Administrations are, therefore, requested that at least 10% of the funds of SCA to SCSP should be utilised for skill development programmes within existing framework of the Scheme w.e.f the current financial year 2013-14, in order to enhance the employability of the target group.

4. This issues with approval of Competent Authority.

Yours faithfully,

Sd/-

(Sanjeev Kumar)

Joint Secretary to Government of India
